Mr. Charles W. Moores,
Indianapolis, Ind.

Dear Mr. Moores:

How good of you to answer so promptly
and send me the new edition of your pamphlet!

I shall credit the fac-simile of Albin vs. Bodine to your book when I use it. It is to go first into a series of syndicated articles which I have been running for some weeks now. I am taking the liberty of sending a set of them to you, only to look over. When I get them in book form, I will be glad to send the book; and then, if you will do me the honor to read it, I shall appreciate it.

I shall look forward to a talk with you some time in the near future when you are in New York. I shall be here the first four days of the week all summer.

Very cordially yours,
