October 10, 1923.

Ida M. Tarbell,
121 East 19th St.,
New York City.

Dear Madam:

We are pleased to be able to report to you that we succeeded in getting the claim allowed and we ask that you sign the two receipts and send both of them back to us and we hope that by the time that we have received them from you that we will be able to have Mr. Osborn's check to remit.

We were at Findley Lake on Friday last and saw Mrs. Knowles and Mrs. Schumm. Mrs. Knowles was reported to be in her usual condition of health, but in conversation with her we readily discovered her faulty memory. She had no recollection of the recent visit of your sister but said that she would like to see her very much.

Yours very truly,
Ottaway & Munson
