

It. The Underside
Opening.

There are advantages
in attacking a body
La topic without a
background. The last
you knew about
what went on before
you arrived. The last
you knew you were given
you took a dinner
the more efficient
a money to pulling
that you find meet
during
it is just as well
perhaps that that
new answer the /dinner
of 1 mile. 1. Now are
abandoning them

money in paper they
seem to think of
their position as
involving a dinner
should not depend
in their collection
by too close a study
of the - There is one
of the papers on
Underside. When
papers - They are
there as if they
had even the time.

left in Lbls,

4:30 p.m. am 2 over at
 my car
 my wife & daughter
 use car.
 Sam & I have green
 fields - later will
 check on trade land
 out in return - they
 live in St Pete - off
 St Pete is a nice
 place - it has
 more for a living -
 it's made up of
 people who have
 made a home &
 have had their place
 it is different - it
 got 300 500 people

paying children
 getting girls & boys
 day long -

5:30 p.m. can you
 5 miles away the
 Lake Monroe

5:40 (over 100 Swedish)
 100 acres of bananas
 in 1929 -

1874- 1st fruit grower
conviction at Jack-
sonville - legislature
advised & came
down in a body!

Genl - H. S. Sanford
ex minister to Bel-
gium - bought a
large tract in Lake
Monroe - founded
the city of Sanford, Fla.
established Craig
grove & bought on
a considerable number
of Swedes - He laid
off - built mills -

1876 - made work to do
credited South side of
St. J's as best in range
- produced by Hays
Haley fruit grower -

2. 2 built from Sanford
to Orlando by way of
1880. - Genl Grant
stump mill - built
fruit share of
cultiv. -

1891 - 295 - practically
annihilated as
grove.

In 1898 celery &
cabbage planted
in small scale

system of sub-
surface irrigation
introduced.

(only of California)
1910 - Grand sketch
new 1 ft. sub-
surface irrigation

any irrigation
system is 710,
average rainfall is
4.4 inches.

1923-4. S. shipped
7644 cars of 1 ft.
water - best system
ever devised according
to Dept. of Ag. So.
3 afield tract -
It costs 600 an

and a 1/2 mile relay
2 car loads of one
crop on an acre.

average for section 710
orally an acre -
one carload = 336 orali
Highly developed relay
land = 2000 per acre

Pre-cooling plants

Bi-actinoid - was
clearing interest in
fund for debt -

It was on the
surface of 4 leading
roads - from 1600 ft
altitude about a
mile a

Delay meant that
 all the lands of the
 Grand right of way
 sold by order of the
 U.S. Govt. before
 which an application
 was pending.

Proposition which
 right division was
 to include change
 of lands from the
 valley of the
 valley to the
 all the land
 cleared

 evidence of industrial
 Published in Phillips
 book - appeared
 in Columbian magazine
 in Aug 1788 - Dr
 Turnbull - then living in
 Charleston S.C.
 both refuted

Waler
 an allegorical poem
 inspired by Bernard
 Romans Hist 1723
 See includes among
 various poems of
 a Waler god pouring
 copious streams from
 jars on each side
 of altar

Al-Jachseville
set of possible
Dr Andrew Turnbull
& the New York Co.
1921 by Carila Doggett
"Goss a long way with
slimy at R: Philia
has unvarnished"
Probably a middle
ground

A. Turnbull - 1788 - but
 reputation - of B. Roman
 all the speakers of
 each family needing
 in own planting &
 says one must seed
 about 12 or 14 lbs of
 one time 800 at all
 hand in tobacco - sugar
 etc. each family has
 if been as planted
 for food as R. de la
 would not have
 sold their property

"mass garden plot"
 every replant

claimed that - been
 settled - was broken
 up in 1777. but
 for 1 of yrs -

Said had to be cleared
 some high day when
 indigo was ordered
 - some through which
 had to be drained
 & planted - where
 say all over was
 grown =

Every T. Twister was
 the champion of his
 country. He says
 himself that a
 hundred of them
 were vagabonds he
 found in the streets of
 Leghorn - who were
 to be banished be-
 cause of their "idle-
 ness & wickedness"
 made them a
 nuisance -
 families from Mi-
 nna "my poor"
 the only side of the cage
 the wickedest & to take

and as could not
 have any reason to look
 back, for regret, among
 their own country
 men or ex-
 pats! -

Caroline Breved -

1840-1920 -

Teacher author -

Altogether the most im-
portant - with

A ship canal across the
peninsula - B. N. 174

as early as 1826 One
hundred years ago this
month a memorial
presented to U.S. Congress
relating to it -

in 1843 - suggested
a 22. four st place
to Sarnia

short-line built in
north - steamboat
line

all sorts of activities
in 30 2 40 - Manu-
facturing - drainage -

War apt - driven
apart - Policy of
but - in 1839 Internal
Am. Fund had 13,000

own acre under control
Commercial land used
to encourage 2.1. & canal
building by legislation.

Before that Time
had been pledged to
guarantee interest
of 70% canal 2.1.2.

Board
was stopped

B. B. - Lee Brevard
 Vol. II. Hist. of Alaska
 Fr. Historical Socy for
 circulation in 1870

business - distinction
 of made 2 rocky clerts.
 Dried meat (mice)
 expenses - timber
 Pen. Found could not
 meet interest - road
 gave mice clerts - no
 good. The guarantee
 interest expense on the
 2.2 bonds fell at
 25 cents -
 South Institute of Alaska

timber & no money
 to meet - timber
 syndicate made 2
 sold timber but
 that - they made
 profits none compared
 value of timber
 - timber had a market
 was disrupted also
 that held by trustees
 & cities - timber
 piling up against -
 timberland drainage
 - timber lands -
 lands not selling
 - made 1876-77 (2 yrs) =
 15,700 - 1877-78 - 10,300

$81-2'82 = 57400$
 array of sleepers was
 13,000 per year.
 In 1881 - The mi-
 ter sold Hamilton
 District - 400000
 at 25. 2 cleared
 up the debt -
 - This was "swamp"
 & "unflowed land"
 This sale cleared up
 the debt - - enough
 the n. - to reserve -
 credit in capital &
 people in the land
 D. Boyd - admitted

the early - Block
 they'll if I must
 but not act sure
 was - great activity
 in doing & planting
 ways in early
 half century sleepers
 In 10 yrs after sale
 2489 miles included

Freeze - 1894, Dec 74
 at Jacksonville -
 14° above zero -
 190 at Tampa.
 fruit-frozen on 10th
 near Quincy had
 killed - 1000
 injured - 50.
 Feb 7 - 1895 - still
 more severe at Okla.
