

Lincoln Shrine

November 24, 1925

Mr. Henry W. Fisher
522 South Osceola St.
Orlando, Fla.

My dear Mr. Fisher:

I have your letter of November 20, saying that in many days' intimate talk with Col. Ward Hill Lamon about Lincoln's peculiarities, he made no reference to his supposed habit of telling off-color stories.

I think you are right in saying that this is good evidence, and I am glad to have it.

Sincerely yours
