Miss Ida Tarbell -

Dear madam: I am adding
to my Lincoln collection
a few line Autographic
tributes of Lincoln from
those who have been very
prominent in singing the
praises of the martyred President.
The friends of Lincoln are
responding very liberally and
I trust that you will hear
for me a one sentence or
two sentence tribute. I would
prefer the one that is your
favorite. From you would be
Lincoln, but anything will
be acceptable. If I can be
of service to you, command me.

Yours. H. W. Fay.
