FORTY WEST FIFTY-FIFTH STREET
NEW YORK CITY

1937

Dear Miss Tarbell: -

Thank you so
much for your
kind note and
for so thoughtfully
sending me the
Sprague pamphlets,
which I am very
glad to have -
I waited my reply
until I could get
your book and read

the interesting account
of my husband's work -
I am so glad that you
included him - The
book I shall value as
a helpful reference work -
You may be interested to
know that I have given
the large Squague Collection
of books - documents -
patent data and much
correspondence to the
New York Public Library.
His devoted secretary
and I have been busy
sorting and arranging
these papers and in
necessary research for

the past two years - We only closed
the Sprague office in December last -
and I still have a great deal of
work to finish here and at the
^{library} office - I have also given duplicate
matter to various museums and to
some of the large university libraries.
I have found the work of absorbing
interest -

With warmest good wishes
and hoping that you are
well - I am,

Very Cordially -

Harriet Sprague
