

J. McCAN DAVIS.
ATTORNEY AT LAW

OFFICE:
ILLINOIS NAT'L BANK BLDG.

SPRINGFIELD, ILLINOIS, Nov. 20, 1898.

My Dear Miss Tarbell:

I send you some material on Fremont. These notes contain everything of consequence I have gotten on the subject. I interviewed quite a number of persons not mentioned in the notes, only to find that they had nothing interesting to tell me. I have several more on my list whom I have not been able to see, but it is probable that their testimony would merely corroborate what I already have.

I will write you again tomorrow.

Very sincerely yours,

J. McCandless.
