*Letter to Miss
Ida M. Tarbell
Sent to J. M. J.
Admission to
Library*

Miss Ida M. Tarbell
132 East 19th Street
City of New York

Dear Miss Tarbell:

We are inclosing two articles which we think you will find interesting and which you will possibly wish to incorporate in the "story" you are writing for us. The first shows how interest in library work was stimulated among mine workers; the other is a copy of notice posted on a bulletin board in the factory to attract the attention of employees working in a refinery.

Yours very truly,

Marion Humble
