My dear Miss Tarbell:-

Your letter of February 10th written at
Tuscon, Arizona, reached me today having wandered
around through New Jersey for a few days but
arrived at its destination finally all right.

I am very much pleased that you express
a willingness to let us make an announcement re-
garding your work on the life of Mr. Young and we
will do so in an early issue of THE TIMES. I will
send you copy of the paper conatining the article.

I will be very glad to see you when you
come North.

With best wishes, I am,

Yours very truly,
