

Dear Mother: -

Tell Ella I arrived
"in time" - now the nurse
for the eye is exploring
in Stepten township.
Not from Sara says
she'll be here to nurse
Wednesday a.m. Think
will probably go up on
Friday if I can get
away. I think will
let you know.

Hope it's cooler there
today - Looks like rain
here. Will run in town
yesterday but left before
I got over
Love to all
Lan
