FINE ARTS BUILDING

203 MICHIGAN AVENUE

Aug 14-1906

Dear Miss Tarbell:

An effort is being made to collect for the library of the Chicago Woman's Club an Author's Gift Library.

Already the Club is favored in receiving "Favorite Children" from a number of well-known writers. It will give

pleasure to have some of your work in this collection. Would you be willing to present

Club one of your books, mak-
ing it suitable for the purpose
by adding to it your autographs

Yours sincerely -

Rachel M. Booth

The Chicago Women's Club.
