Dear Miss Tarbell,

Your "unforgettable"
outline is a splendid one, and I have
every confidence that it will appeal
to the Reader's Digest as strongly as
it did to me.

I shall pass on word to you the moment
I have it, of course. In the meantime,
thank you.

Sincerely yours,

A handwritten signature in dark ink, appearing to read 'Jacques Chambrun', with a long, sweeping horizontal stroke at the end.

Miss Ida M. Tarbell
