c/o Kaustine Company, Inc.  
Buffalo, N.Y.

My dear Mr. Carrington:

It was very kind of you to send me this Lincoln story. You are right in my not having heard it. I am writing Mrs. Weston to-day, though I think your rendition of it is quite satisfactory.

It was good of you to say a kind word for my "Footsteps of Lincoln". I do appreciate that.

Very sincerely yours,
