ALLEGHENY FOOTBALL RECORD UNTARNISHED

Geneva, Thiel and Grove City Defeated and Tech. Tied by 1917 Team—Allegheny Scores 98 Points to Opponents' 6

On Saturday afternoon, October 20, the Blue and Gold staged the first battle of the year on Montgomery Field. After three weeks of hard training the locals were enabled to open the 1917-18 gridiron season with a brilliant victory over the fast team from Geneva College. With five of last year's veterans in the lineup Coach Hammett felt confidence in victory, but the 39-0 defeat which his team administered to the Beaver Falls lad was more than was expected. The line and backfield were in perfct working order, and the fact that it was not necessary to call time out once for the locals shows that the entire team was in good physical condition.

The line was the department in which most anxiety was felt before the game inasmuch as there were four men on the line who had never played college foot ball. However, the manner in which they maintained a stonewall defense thruout the game, and especially while Kerr was kicking field goals, dispelled all worries that Hammett may have had. Filer, at right tackle, was especially effective in breaking through Geneva's line, throwing their backs for losses on several occasions.

The entire backfield featured in Allegheny's attack, Baldwin and Kerr gaining much ground by long runs, while Cook and Preston jabbed the line. Captain Baldwin was the best ground gainer on the team, and was responsible for three of the five touchdowns. Two of his touchdowns were made after he had completed runs of more than thirty yards. In the fourth quarter he ran 52 yards for a touchdown, but was called back on account of illegal blocking by one of Allegheny's men. Kerr ranked next in point getting, he being accountable for nine tallies, six via the field-goal route and three on goals from touchdown. He made two long runs that netted Allegheny 50 yards. Cook, at fullback, could always be depended on in a line jab when a few yards were needed to make first down. In the third quarter he ran straight through center a distance of 18 yards for a touchdown. Preston was a steady gainer in offense, and his defense work was also of top-notch calibre.

The 39-0 score, however, does not adequately indicate the stubborness with which the Geneva men fought throughout the entire game. In the first half of the game at times they even outfought the Allegheny men, but the breaks were against them. Captain McCracken and Parsons in the backfield and Harr, at end, played the best game for Geneva. The Beaver Falls boys were very unfortunate in the number of men who were forced to retire from the game on account of injuries.

J. Scannell, who played in his old position at right end, showed the benefit of his last year experience. Not only did he star in defense work, but he pulled four forward passes out of the air that netted some substantial gains. Hall, who played the other end, put up a scrappy game and kept the Geneva backfield from making any large gains around the left flank. Three Freshmen took a part in the fray and shared the honors of the day with the older men. Welty, at left guard, Kramer at left tackle, and Homan at center, helped Heckman and Filer maintain a stonewall that kept Geneva from making a first down during the entire game. The lineups follow:

Allegheny		Geneva
Hall	L E	Harr
Patterson		
Filer	L T	Smith
J. Welty		Jordan, Duncan
Heckman	L G	Elliott
Prather		
Homan	C	Stewart

Volk, Wiltsie		
J. Scannell	R E	Forbes

Thomas		(Capt.)

Touchdowns: Baldwin 3, Kerr, Cook. Field goals: Kerr 2. Goals from touchdown: Kerr 3. Umpire: Fladd (Lehigh). Referee: McCann (Harvard). Head linesman: Gilbert (Allegheny).

THE THIEL GAME.

The game with Thiel at Montgomery Field was not very interesting from the spectators point of view as the 49-0 score would indicate. Allegheny scored seven touchdowns, five goals from touchdown, and one safety, while the best that Thiel could do was to roll up a goose egg. This made the third game of the season in which the locals had kept the opposition from scoring a point or making a first down.

As usual Baldwin was the leader of Allegheny's attack both in offense and defense. He scored a touchdown in less than two minutes after the start of the game after making a run from Thiel's 40-yard line. His second touchdown was made in the third quarter when he carried the ball across the line a distance of 11 yards, after Cook had intercepted a forward pass on the 51-yard line and carried it to the 11-yard line. Preston and Cook each contributed two touchdowns besides playing a good defensive game. Kerr added one more touchdown and kicked five goals from touchdown.

Thiel was slightly outweighed by the local eleven, but made a game fight to the end. On one occasion they were on Allegheny's 10-yard line, but with the exception of this one instance the ball was in Thiel's territory during the entire game.

THE TECH GAME.

On Oct. 27, Allegheny met Tech in their annual clash. The game was played in a steady downpour of rain that made fast play impossible. Both teams had several opportunities to score, but in every case the opposing line broke the attack.

Early in the first quarter, Lynn, of Tech, made a spectacular run of 45 yards before he was downed. Later in the some period, Baldwin broke through the Skibo line and ran to the 15-yard line.

Both teams used the forward pass in the last quarter with little success. Baldwin was a tower of strength for Allegheny, the Tech team having a hard time stopping his rushes. For Tech, Early and Lynn played best.

Allegheny kicked to Tech. On the first play Lynn made his long run of 45 yards. Bucking the line proved fruitless to the Skibo backs and they were forced to kick. Allegheny started a rising attack, but Baldwin fumbled. Homans recovered and on the next play Cook carried the ball through center for three yards. He repeated on the next try. Tech tightened and Allegheny kicked. Bloom returned five yards. Ginn slid off tackle for nine yards. The Plaid held and lost the ball on downs.

At this point Baldwin made way through the Tech line for 45 yards. Then Kerr tried for a field goal, but failed. The first quarter ended with Bloom kicking to Kerr who carried the ball one yard when he was downed.

In the second quarter both teams kicked frequently, neither having the edge. Bucking the line, Baldwin made five yards off tackle. Tech then took the ball and held it for a few downs, when they fumbled and Allegheny secured the ball. Preston, of Allegheny, lost three yards. Cook lost two more through center. Kerr kicked and Lynn made four yards. Early failed on the next one and Ginn kicked to Baldwin.

MODERN PROBLEMS CLUB.

Tuesday evening, October the tenth the annual opening banquet of the Modern Problems Club was held in the private dining room at Cochran Hall. Although a large number of the men represented in the club have left college to enter various forms of military service, the organization was rather well represented at this, the first gathering of the year. About twenty student members were present as well as Dr. Leake and Professor Stemple, the Faculty members.

Following the splendid dinner served by the Cochran Hall management, the meeting was called by order by R. E. McCreary. The election of officers for the coming year took place with the following results: President, R. E. McCreary, '18; Chairman of the Program Committee, F. L. Stewart, '19; Treasurer, J. O. Martin, '19; Secretary, S. L. Eberlee, '19. President McCreary then appointed G. R. Barr, '19, and G. D. Patterson, '19, as the two members of the Program Committee to act under the chairman.

Dr. J. M. Leake then presented a most interesting and instructive address in which he outlined the causes leading up to the present struggle going on in Europe.

The following were elected to membership in the club: Goslin, Skinner, Parrish, Hollingshead, Brownell, Hammond, Walker, Faulkner, Thoburn.

ALLEGHENY GOES BEYOND GOAL IN Y. M. C. A. FUND

Great Record Established—Over Nineteen Hundred Dollars Subscribed—Every Student in College Gives to Fund—Other Y. M. C. A. Work Reviewed

The Friendship fund campaign held the latter part of last week has so far been entirely successful, and at the time of going to press, subscriptions had almost reached the final goal which was raised five hundred dollars from the original aim of fifteen hundred dollars. After being launched into the campaign by a week of daily prayer services, and addresses by Miss Siesholtz, of the National Y. W. C. A., and Mr. Croell, Penn State '17, of the National Y. M. C. A., the college in the first day reached their original fifteen hundred dollars, and subscriptions were coming in so fast that the Committees in charge of the campaign decided to raise the aim to two thousand dollars. At the time of going to press well over nineteen hundred dollars has already been subscribed.

A small but earnest group of students had been meeting every noontime for a week to discuss the meaning of the campaign and to pray for its success. It is largely by this group that the campaign has been pushed to a successful conclusion.

On the evening of November 7, Miss Siesholtz outlined the work of both the Y. W. C. A. and the Y. M. C. A. in concentration camps in America, and in prison camps on the other side.

In chapel service Friday morning Mr. Croell, of Penn State, outlined again the work of the Y. M. C. A. and made an appeal to the student body which was strongly felt. He told of the shortages of food and fuel in the prison camps; how the only books the Y. M. C. A. can get are so much in demand that one book will be read aloud by a prisoner to hundreds of his fellows; of how the Y. M. C. A. after taking a census of the men in camp, has been able to organize orchestras; how in some of the camps complete university courses are being offered by imprisoned professors such that college men among the prisoners can do work acceptable for degrees at Oxford; and of how even the stationery that the prisoners write home on has to be supplied by the Y. M. C. A., but can be allowed each man but once a month.

Miss Siesholtz then outlined the work of the Y. W. C. A. in providing "Hostess Houses" at the American cantonments to take care of visitors; in caring for the French and English munition workers; and in providing comfortable places where nurses near the front can spend their half hour off duty.

Taken as a whole the Friendship fund campaign has stirred up more real feeling among the student body than any other recent happening in our college world, and of Allegheny's share in this fund it may be said that it is a true expression of friendship and sacrifice for "our boys."

When down for your mail, stop at Trace's for your tobacco.

The members of the football squad of Allegheny College and the men who accompanied the team to Grove City desire to express through the columns of the "Campus" their appreciation to Dean Thompson and the young women of Grove City College for the reception which they tendered to the team. The men all enjoyed the tea and expressed themselves as being very favorably impressed with the cordiality of the hostesses.

ATHLETIC ELECTIONS.

The vacancies which occurred in the Athletic Association at the beginning of the year were filled by the election of Paul A. Stearns as President, and John Volk as Secretary of the Association. P. W. Lane was elected Foot Ball Manager and J. S. Baldwin was elected Basket Ball Manager. Brownell was elected Assistant Foot Ball Manager and Goslin, Assistant Basket Ball Manager.

FIELD DAY.

On Oct. 13, the annual Field Day meet was held. The Freshies gave the Sophs a good battle in the opening events, but were overcome by the superior experience of the Sophs in the Tie Up and by losing this event, they lost the day.

The College Y. M. C. A. has an ambitious program well under way for the year. Four regular meetings have already been held, and the attendance and the enthusiasm have both been good. Meetings are held as before in the basement of Cochran Hall on Wednesday night, and seem to be getting good support from the Freshmen, although the attendance is still far from the ideal of "every man in Allegheny College at Y. M. C. A. every Wednesday night."

The program for the year includes:

(1) The continuation of the gospel team work. This will be essentially the same as before, including Sunday afternoon trips to the County Home, the Jail, and other places near Meadville to hold Gospel meetings.

(2) A Bible or Mission study group.

(3) The continuation of the regular Wednesday night meetings. Four of these meetings have already been held this year. At the first President Crawford spoke on "Our Dominant Universe." At the second Mr. Wissinger reported his experiences at the State College Y. M. C. A. conference at Harrisburg and outlined the plans for the year. The following week Dr. Darling led a meeting on the subject of "The Ideal College Man," while at the last meeting Dr. Henke spoke on "The College Man's Religion."

(4) Active participation in the "Student's Friendship Fund" campaign of the Y. M. C. A. and the Y. W. C. A. to raise money for work in the war camps of Europe. This is about the biggest aim of the organization for the coming year, as Allegheny's share of the fund will be large without being too great. Daily meetings are now being held in Oratory of Chapel to discuss this campaign. These meetings are held just after 12:30 class and have been attended by a small but enthusiastic group.

In the war camps of Europe, where thousands of prisoners went mad from sheer monotony during the first year of the war, there are now whole universities running, and it is for these that the "Student's Friendship Fund Campaign" of November 10-19 is being held.

Some rearrangement was made necessary in the Y. M. C. A. Cabinet by the departure of J. W. Harbaugh, '19, Vice President, for France. The officers at present are:

President.....H. L. Wissinger
1st Vice President.....G. A. Stetson
2nd Vice President.....John Martin
Secretary.....T. B. McCafferty
Treasurer.....M. Verne Reed

J. S. ROBINSON, '11, SUCCESSFUL IN Y. M. C. A. WORK.

We have at hand a copy of "Camp and Trench," printed at Camp Sheridan, Montgomery, Ala., in which appears the following:

"The army Y. M. C. A., after considerable unpreventable delay has arrived in the person of Dr. J. S. Robinson. The latter hails from McKeesport, Pa. He received his A. B. degree from Allegheny College in 1911, and his Ph. D. from Johns Hopkins in 1917. He is a member of Phi Beta Kappa and Phi Gamma Delta fraternities.

"While at Allegheny Dr. Robinson was editor of his college weekly, manager of his college annual, and took an active part in track work and various literary and dramatic clubs.

"In 1912 he won the Rhodes scholarship for the State of Maine. Entering Johns Hopkins in 1913 he won the University scholarship for four successive years at that school. In order to take up his present work Dr. Robinson has turned down flattering offers from several large universities, as well as an offer with the quartermaster's department to take charge of the base of supplies in France.

"He comes to Camp Sheridan accompanied by his wife, who will be an active worker in the army Y. W. C. A. work."

Mrs. Robinson was Miss Bess Metcalf, '14, who was active here in social and religious work. The couple were married this fall in Washington by Bishop McDowell.

EDITORIAL.

The Campus is being put out this year under unusual difficulties. In the first place we are handicapped by a late start. In the second place the Manager has been handicapped by a certain distrust of college publications among the business men of the town, making it hard for him to secure ads. A college paper can not be wholly supported by subscriptions, even if that ideal condition should come to pass in which every student would subscribe to the Campus, a condition which in the past has been far from realized. Even if this condition by some kind turn of Fortune should be realized this year, still it would be necessary for us to insert some advertisements. So when you hastily scan these columns with a tired blase glance and cast it aside with a contemptuous, "Nothing in it., Why don't they put something in it besides ads?", remember that it is the advertisements that make this paper possible. Remember also that the merchants do not advertise in a college paper for mere charity. They expect to get some returns from these ads., and if no returns are forth coming it is only natural that they should view college ads as an unprofitable investment. It is up to us this year to restore their confidence in college publications. When you see that a merchant has an ad. in the paper, patronize that man. In this way you can help us to hand on to next year's Campus and all other college publications, a legacy of trust rather than a legacy of distrust.

We desire your aid in other ways. This Campus is put out by a staff most of whom obtained their places by competition in handing material in last year. This gives a great opportunity to Freshmen to obtain a place upon the staff. If the Campus is to be kept up in future years it is necessary that many underclassmen should try out and in this way gain the experience necessary to keep the paper going. This is a representative college paper and should have the support of every student in college, not only in subscriptions but also in preparing material. This year above all other years we want to get out as newsy a paper as we can. The boys in France and in the camps are all looking back at us and wondering what we are doing. Allegheny Alumni all over the country are looking our way, wondering if the old College is to be able to keep going. They are all anxious for news of us and we are anxious for news of them. We want to make this paper a live medium of exchange between the students in college and the boys in the Service and the alumni scattered all over the world. We can do this only with the help and co-operation of every member of the student body.

FOOTBALL.

(Continued from page 1)

Allegheny renewed its line attack. Cook tore off tackle for seven. Preston added five more at tackle. The Skibo line braced and recovered the ball on downs. Ginn tried center for three yards. Left end gave another three to Lynn. The whistle blew, ending the first half. It was in the second half that both elevens displayed their best attack. Tech kicked to Baldwin who received the ball behind the goal line. He advanced three yards and was downed.

Opportunity is Lost.

Unable to penetrate the Skibo defense, Allegheny was forced to kick. After three tries at the line, Tech returned the ball. Allegheny duplicated the act, but the kick was blocked, Tech recovering on the 15-yard line. Again Steffon's squad lost an opportunity to score, their backs failing to advance through the Meadville defense. Ginn's attempt at field goal failed. Cook tried to run the ball back but was downed on the one-yard line. Tech drew a five yard penalty. Cook's kick went out of bounds on the 10 yard line. Early made two through right tackle. Bloom circled left end for five more. The third quarter ended with the ball in Tech's possession on the 7-yard line.

In the forward pass duel in the last period, the Methodists had an edge on the locals intercepting one and gaining ten yards on a toss, Kerr to Cook. Tech for the first time in the game tried to score via the aerial route. The Meadville backs smothered the first attempt and intercepted the second. Two trys at the line netted Baldwin 10 yards. A pass, Kerr to Cook, added 10 more. Baldwin tallied six through the pivot position. The Methodists fumbled on the next play and the Plaid fell on the ball on the 25-yard line. Tech failed to advance the ball and kicked just as the final whistle blew. The lineup:

Tech—0		Allegheny—0
Williams	L E	M. Scannell
Fox	L T	Filer
Jones	L G	Heckman
Getzler	C	Homans
Carey	R G	Kramer
McFeatis	R T	Welty
Wagner	R E	J. Scannell
Bloom	Q	Kerr
Early	L H	Preston
Lynn	R H	Baldwin
Ginn	F	Cook

Referee: Knox, of Yale. Umpire: Hammond. Time of quarters: 15 minutes.

GROVE CITY.

The fourth game of the season, played at Grove City, resulted in a well earned victory for the Gold and Blue Determined to shake the old jinx, the locals led by Captain Baldwin entered the game with a vim and vigor that withstood all of the force that Grove City could muster up. As usual the Mercer Countians outdid themselves in the game with the locals,, but the lead that Coach Hammett's protegees secured in the first five minutes of play was never overtaken by the opposition. The final score was 10-6.

To Captain Baldwin belongs the spoils of the victory, because it was through his sensational playing at every stage of the game and in every department that Allegheny was able to emerge from the fray victorious. At any time he could be depended on to make a gain for the Blue and Gold or check the attack of Grove City. In the fourth quarter Hodge caught a long forward pass on the 50-yard line, and when Kerr was taken out of the play he had a clear field for a touchdown and victory for Grove City. However, Baldwin couldn't see it that way, and tearing down the field at a 10-2 clip he overtook Hodge on the nine-yard line and dealt a deathblow to the old jinx.

Grove City choose to receive. After making one first down they lost the ball to Allegheny on a forward pass intercepted by Preston on the 60-yard line. It was then that Allegheny began a steady march toward the opposition's goal line, making very few gains that were under five yards. Baldwin, Cook, and Preston made large gains at will, and when they had carried the ball to the one-yard line without once losing it, Kerr slid under Homans for the only touchdown of the day for the locals. After securing this comparatively easy touchdown the attack began to waver. On three occasions, however, they were able to advance the ball well within the 10-yard line, only to be penalized badly for reasons which even the most ardent Grove City rooters couldn't fathom. In the fourth quarter Allegheny had the ball on the eight-yard line with third down and three yards to go for a first down. As usual there was a fifteen-yard penalty given to the locals and chances for a touchdown were spoiled. On the next play, however, Kerr put a pretty field goal across from the twenty-five yard line, thus ending Allegheny's scoring for the day.

Grove City made a superhuman fight throughout the game but were able to score only one touchdown. In the third quarter Captain Harbridge intercepted a forward pass on the fifty yard line and ran for a touchdown. After Hodge had made his run in the fourth quarter that struck terror to the hearts of the loyal band of Allegheny rooters, Grove City opened up an aerial attack that they had kept well hidden from view earlier in the game for just such an emergency. They never advanced the ball beyond the nine-yard line, however, and the whistle blew while Brown was preparing to make a drop kick. The summary follows:

Allegheny—10		Grove City—6
M. Scannell	L E	Morledge
Filer	L T	Brown
Heckman	L G	Kuehn
Homan	C	Young
Kramer	R G	Webster
Welty	R T	Moon
J. Scannell	R E	Porter
Kerr	Q	Harbridge
Baldwin	L H	Shelley
Preston	R H	Gould
Cook	F	Hodge

Allegheny's entire line played an excellent defensive game throughout. Filer and Welty, at tackles, broke through on several occasions and threw runners for losses. Homan, at center, and Heckman and Kramer, at guards, also played high class ball. Mike and Jack Scannell put up their usual stellar performance on the two ends.

ALLEGHENY COLLEGE TO PLAY WESTMINSTER.

Next Saturday Coach Hammett's band of gridders will play their last away from home game when they meet the fast Westminster aggregation at Sharon. Neither team will have the advantage of playing on their home lot, Sharon being a neutral field, and hence the real comparative strength of the two opposing teams will be accurately determined. The dope favors Allegheny in this game.

Thus far this season Allegheny has emerged from every contest without once having tasted defeat. Three victories and one tied game is her record in four starts against Geneva, Tech, Thiel and Grove City. Before the Grove City game last Saturday there had not been a first down scored against the Blue and Gold machine, nor had their goal line been crossed. In the third quarter of last Saturday's game Captain Harbridge of the Mercer County aggregation intercepted a forward pass and carried the ball from the middle of the field for a touchdown thus spoiling Allegheny's record for an uncrossed goal line. The locals have registered ninety-eight points as compared with six for their opponents this season.

Where the Westminster and Allegheny schedules have crossed this year Allegheny seems to have a slight advantage in dope. Westminster defeated Thiel 10-0 whereas the locals were able to score 49 points against nothing by the Lutherans. Allegheny defeated Geneva easily while the best that Westminster could do against the Beaver Falls team was to attach the little end fo a 23-7 score last Saturday. This last fact, however, is not so significant when it is considered that Geneva is considerably stronger now than she was when she played in Meadville. The fact that Allegheny and Westminster have not met on the gridiron since 1913 will serve as an added stimulus for a regeneration of the rivalry that formerly existed between the two institutions on the gridiron.

Thus far this season Allegheny has been very fortunate in the matter of having sustained no injuries of any consequence. In last Saturday's game Heckman was forced to retire from the game in the fourth quarter on account of an injury to his leg, but it is not thought that he will be kept out of the game Saturday.

Manager Lane is making accommodations for the transportation of between one hundred and one hundred and fifty men who will make the trip to Sharon next Saturday. The fact that the game will be played on a neutral field assures a large crowd of fans from both institutions who will attend the game.

THE NEW MEMBERS OF THE FACULTY, REGISTRATION, GRADUATE STUDENTS.

Allegheny opened this year with a registration of 352 students. Considering the fact that 66 men from the upper classes have entered active service, this enrollment was far above the expectations of all. The Freshman class has a total enrollment of 135, and those entering with advanced standing make the matriulation for the term 141.

Two new men have been called to take the heads of departments, and there have been numerous other changes and additions in the assistants and instructors of the other departments. Dr. John R. Schultz, who for the past five years has been in the English Department at Yale University, has been elected to the head of the English Department. Dr. Schultz received his A. B. degree at Culver-Stockton College in Missouri and obtained both his A. M. and Ph. D. degrees at Yale. Dr. Stanley S. Swartley returned this year to his former position as Assistant English professor, after obtaining his Ph. D. degree at the University of Pennsylvania. Miss Florence Steward, formerly a teacher in Cincinnati University, is the new English instructor. Miss Steward received her A. B. degree at the Cincinnati University, and her Masters Degree at Harvard University. She is now working for her Ph. D. degree at Columbia University.

The History Department is most fortunate in having as its head Dr. James Miller Leake. Dr. Leake has been in the History Department at Bryn Mawr College for the past few years. He did both his under graduate work and graduate work at John Hopkins University. Under his guidance the Modern Problems Club has planned a very interesting program for the ensuing year. Dr. Leake has also made possible a medal for the best essay in the American History Course, in order to stimulate interest in original work.

The French Department has two new instructors, Mr. Conant and Miss Hazen, '17. Mr. Conant was in the department in the years 1914 and 1915. Miss Hazen did her major work while

Hulings Hall

On Friday, Oct. 19, a tea was held for all the new girls in the Y. W. C. A. rooms. The purpose of the Association and some of the departments of its work were presented. Various interesting stunts were presented by representative committees. The girls responded favorably to the opportunity of joining the Association.

The first social event of the season in the Hall was the Y. W. C. A. Reception for the new students and faculty ladies, held in the Girls Gymn. The following program was presented:

Vocal Solo—Adelade Singley, '18, and Ella Allgood, '20.

Reading—Ernestine Sprong, '19, and Madeline Rishell, '19.

Piano Solo—Marie Francis, '19.

Violin Solo—Norene Saxton, '18.

This was followed by a clever little comedy of two acts, "Not a Man in the House," in which Lillian Zearley, '20, Maude Baker, '20, Edyth Newmaker, '20, Alice Robinson, '20, and Gladys McKinney, '20, took part.

The Sophomore-Freshmen girl's track meet was held in the Girl's Gymnasium Saturday, Oct. 13, and was won by the Freshmen.

PERSONALS.

Dr. and Mrs. Akers and Dr. and Mrs. Ling were entertained on Sunday by Miss Rowley in the new annex dining room.

For several days last week Miss Alice Grenelle, '21, entertained her mother and aunt, Mrs. E. A. Grenelle, of Rochester, N. Y., and Mrs. John H. Keys, of Scottsville, N. Y.

Mrs. W. Salchow and her small daughter, Caroline, spent the week end with Miss Serena Salchow, '19.

Mr. and Mrs. Linn visited their daughter, Miss Hazel Linn, '18.

NEW MEMBERS OF FACULTY.

in school in the French Department and when the department became so over crowded with work this year, she was asked to become an instructor.

Miss Helen Adams, '16, who served as instructor the latter part of last year, has been engaged as regular instructor in the Latin Department. Miss Adams is also doing graduate work.

Mr. Carl Gilbert, '16, is acting as assistant in the Chemistry Department. Mr. Gilbert received his Masters degree in the department last year. Ralph Dewey, '17, and Paul Hill, '17, are Graduate-Assistants in the Chemistry Department.

Miss Ethel Roach, ex-'16, is Graduate-Assistant in the Biology Department. Miss Roach received her B. S. degree at the University of Rochester in 1916.

This year it has been possible to obtain a very good gymnasium instructor for the girls. Miss Ethel Kennedy, a graduate of Oberlin, is in charge of the work.

The work is now in splendid swing and the new professors and instructors are fitting into their places very well. The student body is full of enthusiasm for their work and with the fine faculty and the support of 350 students the outlook for a bigger, better Allegheny is most promising.

PHILO FRANKLIN FORUM.

The weekly meeting of the Philo-Franklin Forum was held in the Philo-Franklin room last Thursday. In the debate at this meeting, "Resolved that the United States should have a high protective tariff after the war," Carne, '21, and Glassman, '21, upholding the negative side defeated Barr, '19, and McClure, '21. The debate brought out good arguments on both sides and proved to be a lively and interesting topic. All students interested in debate or public speaking are urged to attend meetings of the Forum. They are held every Thursday at 4:00 in the Philo-Franklin room. The present officers are: Castle, '18, President; Gordon, '20, President pro tem; Meredith, '20, Secretary; Mornewick, '21, Sergeant at Arms.

No definite announcement can be made at present in regard to Inter-Collegiate Debate. Arrangements are trying to be made, but the outlook is not very promising. In case we do have a contest Allegheny will be in the field with McCreary, '18, Skinner, '20, and Hollingshead, '18, from last year, together with Jones, '20, Parrish, '20, and Stetson, '19, and other promising candidates. The Faculty Committee is now at work trying to arrange a contest for this winter.

Gilbert W. Mead, 1911, who has been studying at Columbia for his doctorate, has recently been appointed to the staff of the Department of English and Comparative Literature in that University.
