

October 17, 1924

Hon. Herbert Hoover,
Department of Commerce,
Washington, D.C.

My dear Secretary Hoover:

I have your note of October 13,
enclosing copies of two letters, yours to Secretary Work and his
reply. They of course completely confirm your statement to me.

The editor of whom I spoke to you has been on a vacation
until this week. I shall see him in a few days as was arranged
when I had the pleasure to talking with you here.

Thanking you for sending me the letters, believe me, my
dear Mr. Hoover,

Faithfully yours,
