CAMPUS ENLARGES AGAIN

THE CAMPUS
OF ALLEGHENY COLLEGE

BASKET BALL NUMBER NEXT WEEK

VOLUME XXXV—NUMBER 19 MEADVILLE, PA., MARCH 13, 1917. PRICE FIVE CENTS

ALLEGHENY WINS DECISIVE VICTORY OVER GENEVA FOR SECOND TIME THIS SEASON

Improved Team Work and Foul Shooting Characterize Fast and Interesting Game

Allegheny's revenge for the spoiling of last year's basket ball record was completed last Friday night when the Blue and Gold tossers for the second time this year decisively defeated the team from Geneva College. Allegheny's superiority was evident from the start of the game, the home team taking the lead soon after the start of the contest and holding a safe margin from then on. It was a real old time Allegheny team that won the victory, showing all the attributes that have been lacking at times during the season and in addition showing speed and skill that eclipsed any previous efforts. The team work as a whole was all that could be desired and when it broke down some piece of sparkling individual work invariably made up for its lack..

The game was fast except at times in the second half when it seemed that the visitors realized that they were defeated and were striving to keep the score as low as possible by passing the ball about under Allegheny's basket. The home forwards succeeded in breaking up these attempts, however, and several easy baskets resulted.

Allegheny broke into the scoring column first when Shaner dropped in a fine running shot after a short period of scrimmage in which neither side could advance the ball. An error in passing by the Allegheny team gave Stringer an easy basket and a moment later Forbes put his team in the lead by dropping in a long one. Their triumph was short-lived, however, for pretty teamwork on the part of the Blue and Gold guards enabled Volk to score two baskets and Bianchi to tally once, which, with a foul by Volk, made the score Allegheny 9, Geneva 4. An instant later Volk dropped in one of his favorite shots from the side. Lane picked the ball out of scrimmage and dribbled the length of the floor, making one of the prettiest plays of the game, but was fouled while shooting and missed the basket. Volk made one of the resultant fouls but missed the second. A basket and a foul by Loeffler and two successive foul goals by Volk made the count 14-7. The Geneva team was unable to work the ball down the floor and took to long shots. Stringer, however, was the only one successful in these attempts, securing one clean basket. Fine dribbling enabled Volk to score again and Lane scored a clever basket, which, with a foul by Loeffler, ended the scoring for the half.. Allegheny 18, Geneva 10.

Geneva started the scoring in the second half, securing a field goal and a foul before Allegheny broke the ice. The most brilliant bit of individual work seen during the game made the Allegheny count 20. Volk worked the ball out of scrimmage directly under the Geneva basket and with a fine burst of speed dribbled down the floor and scored. Allegheny was going fine and it began to look easy for them. Bianchi was on the scoring end of a fine piece of teamwork. It became evident that Geneva was playing for time, but would risk a long shot once in a while. Forbes scored, but Kerr made the count 24-15 by scoring from under the basket. Geneva took a brace and a basket by Dodds and two by Loeffler, made while Allegheny was scoring once, put the score at 26-21. Allegheny's lead was again made safe by baskets by Shaner and Volk and two fouls by Volk. Dodds provided the most sensational shot of the evening by dropping the ball in cleanly from the Allegheny foul line. A basket by Kerr ended Allegheny's scoring. Loaffler scored two fouls for Geneva and the final score stood Allegheny 35, Geneva 25.

Captain Loeffler was easily the star for Geneva. Especially in floor work did he excel, frequently working the ball down the floor by clever dribbling that seemed to bother forwards and guards alike.

The best work of the evening was exhibited by Volk, his floor work being of the highest calibre. In dribbling, he ran circles around the visitors, they seeming almost powerless to stop him when he started down the floor. Sharing first honors equally with Volk is Captain Bianchi. Since most of the scoring for Allegheny devolved on the guards and Volk found it easier to get away, most of the guarding fell to Bianchi's lot and well did he do his part. Time and again he covered two men when the Geneva offense started down the floor and it is largely due to him that the visitor's score was held so low. Lane also played a very good guarding game.

The score:

Geneva—25.		Allegheny—35.
Dodds	F.	Shaner
Miller	F.	Kerr
Stringer	C.	Lane
Forbes	G.	Volk
Loeffler (C.)	G.	Bianchi (C.)

Baskets: Dodds 3, Stringer 2, Forbes 2, Loeffler 3, Volk 6, Lane, Bianchi 2, Kerr 2, Shaner 3.

Fouls: Loeffler 5 out of 8, Volk 7 out of 11.

Substitutions: Edgar for Miller, Preston for Kerr.

Referee: Bass.

Don't think that Veiths' can't please you.

Philo-Franklin Orations Are Submitted

NINE SUBJECTS HAVE BEEN HANDED IN, FROM WHICH SIX WILL BE CHOSEN.

Nine orations were submitted on last Friday for the Philo-Franklin Oratorical Contest, which will be held on Friday evening, March 23, in the Ford Memorial Chapel. In order to make the program of nominal and reasonable length, the number of orations to be delivered will be reduced to six by the elimination of the three considered by the judges to be poorest in content and composition.

By the entering of such a large number of orations and a preliminary contest of this sort, a more than usually interesting contest is insured for March 23. Moreover, the list of subjects seems to offer not only discussion of vital and live questions, but also some variety of subject matter. The list of titles is as follows:

"Peace and Patriotism."
"The Red Man."
"Your Heritage—Protect It."
"The Writing on the Wall."
"A Call of Today."
"Americanism."
"False or True Democracy."
"Industrial Preparedness."
"The American Mob."

Subjects dealing with the American position in regard to peace or war, predominate, as was to be expected. They have not, however, entirely excluded other topics, and in themselves appear to promise varied sentiments and means of treatment.

A large majority of the entries are Freshmen, although the contest is open to all men of the college. Most of the upper-classmen seem to prefer to put all their efforts into the Wakefield Contest, which, however, is not open to the Freshmen. Nevertheless, there is always keen interest taken in the Philo-Franklin Contest, and there is always considerable close competition for the two prizes, of twenty and ten dollars each.

If you wish to save money, buy at Veiths'.

Kenneth Reider, '17, has accepted a position as chemist with the Patton Paint Co., of Milwaukee. Mr. Reider completed his college work in the first semester and will graduate in the spring with his class.

Kaldron Photograph Work Partially Completed

PREPARATIONS FOR THE 1917 KALDRON ARE WELL UNDER WAY.

A quantity of photograph work for the 1917 Kaldron was endangered a short time ago when fire broke out about noon in the Burns Building in which Pratt's photograph studio is located. The studio contained a large number of prints and negatives for use in the Kaldron, the largest part being individual pictures from which to compose the Fraternity and Sorority groups. Fortunately the flames were checked before they spread to the studio, and the negatives were not destroyed by the water which entered. The only handicap to the preparation of the Kaldron resulting from the incident was due to the fact that the studio had to be closed for several days, delaying the photograph work. A couple of the Fraternity groups had been already completed, however, and Manager Woodard announced that by having the work resumed immediately when the studio was reopened, which was only a day or two later, that all the groups could be completed by the end of this month. If this is to be done, though, it will be necessary that those who are in need of photographs have them taken at the first opportunity.

Preparations for the Kaldron are progressing in a way that seems to promise its completion on scheduled time. The photograph work, which demands the most time, was started a month or two ago. In addition to the pictures for the Fraternity groups, which were mentioned, a part of the Senior pictures have been taken. The Kaldron photographers have also been busy with general material, and a supply of interesting views and snaps have been secured. The task of getting the pictures of the clubs and various staffs and boards has been started and will be pushed now until these are all secured.

There is more than usual competition in the art department and many designs are being secured not only from the art staff but also from other competitors. Not a great deal of the art work has as yet been chosen, however. A few designs have gone to the engraver, but the main body of the art work will not follow for a little time.

The literary work for the Kaldron is not so well advanced. Senior write-ups are already being prepared, as is also some other work of a similar nature. The staff is doing good work in preparation of this material, but there have as yet been few contributions from the students in general. Such contributions are desired by the staff, and a Kaldron box to receive them will be placed in Bentley Hall this week. Any type of material for the Kaldron, signed or unsigned, may be dropped into the box, and will be printed at the discretion of the editor.

DR. BUGBEE DELIVERED LECTURE IN STONE CHURCH.

A large and delighted audience extended its most cordial welcome to Dr. Lucius H. Bugbee last Tuesday evening in his old church, the First M. E. Church of Meadville. On that occasion Dr. Bugbee delivered one of his most famous lectures, "Robert Louis Stevenson the Cheer Leader." In this subject he had one that appealed to his love for the beautiful and poetic.

His story of the life and works of this great author, of his accomplishments under adverse circumstances, handicapped as he was by reason of physical ailments, was charming and interesting. Dr. Bugbee drew from his lecture the lesson of cheerfulness in this life, even though the way may be hard, the path thorny, and fate seemingly against the man or woman who is striving to make life a success and a blessing to those around them.

Dr. Bugbee was pastor of the downtown church nearly seven years, leaving here some nine years ago. He is now pastor of the Christ M. E. Church of Pittsburgh, one of the largest churches in Pittsburgh. He was a boy of three when his father came to Meadville to enter upon his duties as President of Allegheny College. Dr. Bugbee's mother was a woman of unusual intelligence and culture, and was famed for her ability as a poetess.

"A penny saved is a penny earned." Ask Veiths', you know.

Men's Dramatic Club Selects Comedy

TRIALS FOR POSITIONS ON THE CAST OF DUZER DU PLAY STARTED YESTERDAY.

Duzer Du, the men's dramatic club of the college, has just announced as its selection for this year's production Arnold Bennett's three act comedy, "The Honeymoon." The officers have been diligent in their search for a play of merit to use this year in its annual production, and consider Mr. Bennett's play as an exceedingly worthy, though difficult essay.

What "Buried Alive" was to Mr. Bennett's other novels, this comedy is to his other plays. It is as suprisingly different as was this honeymoon from all other honeymoons. The leading characters include a world famous aviator, a world famous authoress and a charming young person whose sole profession was to be enchanting.

Should the honeymoon preceed the the wedding ceremony? Could a woman become convinced of a man's love by discovering him in a lie? Can a woman be said to make up her mind when her heart has been touched? These are some of the questions to which this play gives rise.

The names of the men of the college who wish to try out for the cast were handed to the officers last week and try-outs have been going on yesterday and today. All men students of the college were eligible and a goodly number have taken the opportunity to try to make the cast and in so doing make the club which is the only one of its kind in the college.

The system employed this year by the judges is decidedly different than the system employed in previous years. Hitherto, a man trying out read a certain part of the play but this year each man commits and recites some portion of the play to be used as well as a selection of his own choosing. In this way the judges are better able to judge the tone and quality of the performer's voice as well as his ability to act. The judges this year are made up of Coach Spalding and the officers of the club.

The club this year is composed of fourteen men, viz: C. M. Miller, Jr., President; J. E. Isherwood, Sec'ty-Treas.; W. E. McConnell, '17, Vice Pres.; H. B. Kahle, '17; R. L. Yost, '17; H. D. Peckham, '17; C. H. Hodgkinson, '17; Gale Stroup, '17; H. L. Castle, Jr., '18; K. M. Woodard, '18; A. E. Hart, '19; J. S. Ogden, '18, and Y. S. Zehrung, '19.

ALLEGHENY ADOPTS INTER-COLLEGIATE ATHLETIC RULES.

At a meeting of the Pennsylvania College Presidents, held last month in Philadelphia, the following resolutions governing athletics was passed by the Presidents of the twenty-three Pennsylvania colleges. These rules were then presented to the faculties of the various schools and when a majority of them pass favorably on them they will go into effect. Last week Allegheny unanimously passed these resolutions and in doing so was the tenth college to ratify them. Doubtless the required majority will pass on them before very long and next year Allegheny's athletics will be governed by these rules. The last three of them are in effect now, but the 'migratory rule' has never been adopted.

Resolved,

1. A student admitted to any college or university represented in this Association from another college or university shall not be permitted to participate in intercollegiate athletic contests within a period of one year from date of admission.

2. Any student holding a degree from a recognized college is ineligible to represent any college or university in this Association in intercollegiate athletic contests.

3. All institutions represented in this Association are called upon to discourage the giving of financial aid from any source whatever to students on account of athletic ability.

4. No student shall be permitted to participate more than four years in intercollegiate athletics in institutions belonging to this Association.

The Juniors of the Alpha Chi Rho fraternity were the guests of the Phi Gamma Delta fraternity last Friday evening.

Well dressed people buy their clothing at Veiths'.

Y. M. C. A. OFFICERS MAKE REPORT OF PAST YEAR AND SUGGESTIONS FOR THE NEW

Proposal For New Plan of Membership and Direction Is Incorporated in Report of Association

The Y. M. C. A. cabinet, in a complete report for the year have brought out the splendd work which has been accomplished by the institution during this period. The success of the personal work, the Men's Week, the mission study classes under Dr. Henke and Dr. Cobern; the relationship to the national association and the work of the gospel teams have all been far above the standards set in previous years. In view of the experience this year's cabinet has had, the following has been incorporated into the report:

"It is the desire of the present officers that the Association and the men of Allegheny should consider the following suggestions:

Membership in the Association be made to include every man in college. That no membership fee be charged for membership in the local Association but the finances be raised by general subscription plan. Every subscriber who gives one dollar or over will be furnished with a ticket entitling him to the privileges of other Associations under the International Com. of the Y. M. C. A.

Since this will include every Allegheny man in the Association membership we believe that a representative and elective board of directors should be established. Formerly the attempt to represent the different groups was made in appointments to the cabinet by the officers of group representatives, at present the Association has but four elective officers. Enlarge this group of officers to five in number, dividing the work of the present cabinet among these officers and having them represent the executive committee of a larger board of directors. This board of directors is to include 17 men; five of whom are the officers mentioned and the others to be chosen as follows: One member elected by each fraternity, the Common Club, and the non-fraternity men—making eight in number. One member to be elected from each class of the three upper classes, who is at that time a member of the student Senate, and one member to be elected from the faculty. No man is to represent two groups on the board. A monthly meeting of the board is to be held, the plans and policy of the Association to be outlined, reports of the officers received, and care of the rooms to be under their direction.

Further we suggest that the present rooms be opened on one or more additional nights each week, that Y. M. C. A. and other religious literature be placed in the rooms and they be opened for reading rooms and as social rooms; and that monthly Y. M. C. A. gym. nights be held under the direction of the Association and the leadership of Coach Hammett where every man can take part in obstacle races, games and athletic events.

Believing that many opportunities for self-help are not available to students, because those desiring this help are not known or the persons with work that can be done by students have no established place where such matters can be taken care of, we suggest that the Association officers establish such a department—this department known as the "students employment agency." The existence of this bureau could be advertised and the possibilities of self-help for students could be greatly increased.

It should be the aim of the Association to have at least ten men, represent Allegheny at Eagles Mere Conference to be held June 15-25. The two delegates sent last year count the weeks spent there the most valuable experience of their life. Every officer, especially should attend. The problem of financing the trip could be met by having the Association and the delegates each pay one-third. The remaining third to be taken up by subscription.

It is hoped that the men of the college will give these suggestions due consideration and take immediate action on those appearing most feasable. The Y. M. C. A. has its definite work laid out to perform but in addition it must be ever ready to meet the changing needs of the community which it is to serve in the most efficient manner possible. The present officers of the Y. M. C. A. believe that the above suggestions will help in part to meet these needs for the coming year.

Wooster College Defeated In Debating Contest

INTERESTING DEBATE IN FORD MEMORIAL CHAPEL RESULTS IN ALLEGHENY VICTORY.

Allegheny"s affirmative debate team won a victory over Wooster on last Friday evening in the first intercollegiate debating contest of the year, held in Ford Memorial Chapel. The question was the general 'varsity question upon which Allegheny will also debate later with the University of Ohio, and with Washington and Jefferson College: Resolved, That the Federal Government Should Regulate Wages and Hours of Labor of Employes on Interstate Railroads—Constitutionality Conceded. The Allegheny debaters were C. W. Skinner, '20; P. E. Hollingshead, '18; and H. L. Castle, '18; and Wooster was represented by Messrs. Stillinger, McLaughlin and McKee.

The debate was one of the best attended forensic contests held here in several years. It was also one of the most interesting and hotly contested debates heard by the Allegheny supporters. The Wooster team came here with an excellent record, one of their men being in his sixth intercollegiate debate without having experienced a loss previous to the defeat by the Allegheny team on last Friday evening.

Dr. Elliott acted as chairman of the meeting, extending a welcome to the Wooster debaters and introducing the speakers. The constructive argument was opened by C. W. Skinner. The debate for Wooster was introduced by Mr. Stillinger, and Hollingshead, McLaughlin, Castle, and McKee followed in the order named. All of the men did excellent work, and a well organized argument was presented by both sides, clearly and concisely stated in each case. The judges of the debate were Judge G. H. Crisswell, of Franklin, Pa.; the Reverend A. A. Lancaster, Delta Sigma Rho, of Albion College; and Mr. R. W. Caldwell, Delta Sigma Rho, of Knox College.

The debate of Friday night was one of the three to be held in the triangular league including Allegheny, Wooster, and the University of Ohio. All three debates were scheduled for Friday night, but it was necessary because of a death in the family of a member of one of the University of Ohio teams to postpone the debate between Allegheny and the University of Ohio. This debate will be held, however, on next Friday evening at Athens, Ohio. The members of the Allegheny team, which will debate the University of Ohio are W. A. Brownell, '17; D. D. Zuver, '17; and R. E. McCreary, '18. Dr. Henke, as chairman of the faculty committee on debate, has been requested by the Oratorical Association to accompany the team.

The second debate of the triangular series, between Wooster and the University of Ohio, was held as at first scheduled. It is of interest to note, although it is of no value practically as "dope" on the debate of Friday evening, that Wooster won a victory over the University of Ohio by a unanimous decision of the judges.

There is to follow the triangular debate, also a dual debate with Washington and Jefferson. This debate has been scheduled for Friday, April 20. In this debate Allegheny's affirmative team will debate at Washington and Jefferson, while the negative team will debate at home.

You will never regret if you spend your money at Veiths'.

Mrs. H. G. Ogden, Miss Agnes Robinson, '17, Miss Anne McConnell, '18, and Miss Marian Cook, '20, were dinner guests at the Delta Tau Delta House, Friday evening.

THE CAMPUS
OF ALLEGHENY COLLEGE
Established 1876

Entered as second-class matter, October 30, 1904, at the Postoffice at Meadville, Pa., under the Act of Congress of March 3, 1879.

Published every Tuesday morning during the academic year by a staff of editors selected on a competitive basis from the students of Allegheny College and devoted to the interests of the College and its community.

Subscriptions $1.50 a year; $1.00 in advance. Single copies 5 cents.

The Campus is forwarded to all subscribers until an explicit order is received for its discontinuance, and until all arrearages are paid according to law. Subscribers are requested to inform the Business Manager of any change of address.

Communications intended for publication should be sent to the Editor or dropped in the box in the main hall of Bentley before 9:30 a.m. Saturday.

MARCH 13, 1917.

Have you paid your share of the amount pledged for the prison relief work? There are still several pledges which have not been paid.

There was a very good attendance at the debate Friday evening but there are yet a large number of students who have not seemed interested and should attend at least once to see what a real 'varsity debate is like.

Considerable favorable comment has been heard by the members of the basket ball team in regard to the splendid treatment given the men while at Grove City. The treatment by the crowd and the college itself was spoken of very highly.

That there is no partiality shown by the "powers that be" in Hulings Hall was clearly shown when three prominent men of the Senior class were gently but firmly refused admittance at the girls' game last Saturday, and were returned to their homes, "sadder and wiser men."

In this issue, the Campus staff takes pleasure in announcing that the second enlargment of the year has been made and that the columns will hereafter be the present length.

The Latest Periodicals at Trace's.

CLASSICAL CLUB.

The Classical Club held its regular meeting on last Tuesday evening at seven o'clock in the Library. Miss Nellie Reniers was elected as chairman for the meeting. The program was in the hands of Miss Agnes Robinson and Miss Elizabeth Hendershot, who read papers on the subject, "Roman Women." Miss Robinson described the position and accomplishments of the Romen women, while Miss Hendershot took up their place in politics. A quotation was given from an anti-suffrage speech by Cato, in which he advanced practically the same line of argument used by the modern "Antis." That the question dates so far back and is as yet unsettled should give some hope to the opponents of the movement, and it should also be of some comfort to President Wilson as he is surrounded by suffrage pickets that conditions are not so bad as they were in ancient Rome, where, as the speaker brought out, the women marched in a solid phalanx on the house of the chief magistrate to demand their rights.

WOMEN'S SENATE.

The Women's Senate Constitution as passed by the women of the college bears two corrections from the constitution printed in the Campus of February 27.

Article V, Section 1 should read: "The Women's Student Senate shall exercise general supervision over all student affairs of the women." Then Section 2 of the same article and "In session with the Y. W. C. A. President shall act as the honor court of the honor system." Also Article VIII should have the following addition: "There must be nominated for the town representatives four Seniors and two Juniors. Nominations may not be closed for five minutes after they have been opened except by unanimous vote of the women present."

(Signed) Chairman of Women's
Senate Committee.

When down for your mail, stop at Trace's for your tobacco.

Biology Department Plans Fine Improvements

NEW GARDENS ARE TO BE LAID OUT AND ADDITIONS MADE TO COLLECTIONS.

At a meeting of the Biology Club, held a short time ago in Alden Hall, extensive plans were adopted for the coming year. The entire club is to be divided into various committees, with a Senior as Chairman of each committee. The idea of these committees is to collect, name and preserve specimens of all the species of animals and plants found in the vicinity of Meadville. Each committee will have a different part of this undertaking to perform, and when the work is completed the various specimens will be placed on exhibition in the halls and laboratories of the department building. Already a great number of these specimens are on hand and with a little work the department will have one of the best collections in this part of the state.

Fundamental plans were definitely adopted at this meeting for a flower and fruit garden to be laid out directly back of Annex Two, which will be under the direct control of the department, the work on it being done by the members of the club. This undertaking will be a great asset to the college and will develop a beautiful and attractive spot out of the useless and unattractive plot of ground adjoining Alden Hall.

The garden itself will be about 85 by 40 feet and will be fenced in by a fence promised the department by President Crawford. On account of the size of the proposed garden a formal design has been adopted which doubtless will prove very attractive The fence itself will be covered with rose vines and honeysuckle, while an attractive grape-arbor will form the entrance.

From this entrance paths will lead through the garden to a fountain which will be placed directly in the center, from which paths will diverge, running through the various plots. These plots will contain not only a variety of flowers but will also be planted with numerous varieties of fruits and vegetables. There will be one type of each of the North American fruit trees as well as the various species of berry bushes.

Floral exhibits are being planned for the various seasons of the year, each season having its appropriate flower show. In the fall when the students return there will be a profusion of dahlias and chrysanthemums. In the Spring there will be a great variety of tulips, while at Commencement time it is planned to have one hundred or more feet planted in peonies of various species. Beds of pansies and violets will be planted, representing all the varieties found in this section of the country. It will necessarily take two or three years to make this garden much of an exhibit, but when it is perfected it will prove to be well worth the work and expense. Ultimately there will be a greenhouse placed in the rear of the garden, the expense of which will be shared by the college and the Department of Biology.

The department is also expecting to place bird-houses in the tree located directly back of Alden Hall. Another point of interest is that a new imported human skeleton has been added to the equipment. This skeleton, which is from France, will be cased and put on exhibition in the near future. A new collection of colored pictures has recently been mounted and will be placed in the laboratories.

UNION METING OF CHRISTIAN ASSOCIATIONS WAS HELD WEDNESDAY EVENING.

A union meeting of the Y. M. C. A. and Y. W. C. A., the last under the present officers of the organizations, was held on last Wednesday evening in the Chapel. The meeting was more than usually well attended, and an interesting program, an attractive feature of which was a vocal solo by Professor Ward, was presented.

The address of the evening was made by President Crawford, who spoke on the theme of being prepared to stand and withstand in times of crisis. It is the exceptional man, the one out of many, Dr. Crawford said, who is able in the time of critical and sudden testing, to stand and withstand. The man who is able to do that is one upon whom great enterprises will be founded, he is one who will determine the course of great movements, just as in the past the course and future of great movements were decided by men like Saint Paul, Martin Luther, Savanarola, Huss, and Knox because they had the ability to stand and withstand in critical moments.

This ability, although the demand upon it may be sudden, comes, Dr. Crawford pointed out, through preparation and training, through training of intellect, will and character in former tasks and duties much more humble. In the men who show this quality there is found, if one looks back into their earlier life, training for it there. The men who were in college and have been most successful, showed when they were in college that they were making preparations for success; and rarely when such preparation to stand in times of crisis was not made in college has the ability been secured.

There are vast opportunities and multitudes of openings for men so prepared, Dr. Crawford declared. There is plenty of competition for the lower positions, but the higher positions hunt for men. President Crawford urged then, that the men and women of the college train themselves now in such a way that when a crisis comes in life they will be prepared to stand and withstand, and so prepared to take advantage of the greatest opportunities presented.

Oratorical Association Makes New Plans

DEBATORS ARE TO RECEIVE MEDALS AND GIRLS ARE TO HAVE CONTEST.

At a meeting of the officers of the Oratorical Association on last Saturday afternoon with Dr. Darling, a member of the faculty committee on debate, two important actions were taken. The one action was to grant medals to varsity debaters, the other was to make provision for an oratorical contest among the women of the college.

Since the intercollegiate debating has been placed on a financial basis similar to that upon which the athletic activities are operated it has become possible to provide medals for the 'varsity debaters. Such action seemed wise and just to the officers of the Oratorical Association in view of the fact that debating is the only intercollegiate activity in which no letters are given to the participants. It was deemed that the men who represented the college in this way were deserving of some token of recognition on the part of the college for the work they did for it, and consequently it was decided to grant in the future medals to the 'varsity debaters. The medals given will be gold and will be engraved with the name of the institution debated and the date of the debate.

The decision to provide prizes for an oratorical contest among the women was made on the condition that there are five women who wish to compete. If five women do wish to enter such a contest prizes of ten and five dollars will be offered. No date was set, when the contest shall be held, but it will probably be arranged for some time in April.

There is no provision for a regular annual oratorical contest among the women as there is among the men in the Wakefield and Philo-Franklin endowments. Last year the first such contest was held by the Oratorical Association. Considerable interest was taken in the contest by the women, and five orations were submitted. If a similar amount of interest is shown this year the holding of such a contest will be continued and is apt to become a permanent affair.

SOPHOMORES WIN CLASS CHAMPIONSHIP IN FAST GAME.

On Saturday afternoon the Sophomore basket ball team won the class basket ball championship by defeating the Freshmen by the score of 15-12. This was one of the fastest class games of the season. The game throughout was full of spirit and the players were in the game from the beginning to the end. In the first half on account of the close guarding and the poor shooting on both sides the score was exceptionally low, the score being 4-1 in favor of the Freshmen. Throughout the game there was quite a lot of individual work displayed but at different stages of the game fine team work was shown by both sides.

At the end of the first half the score was 4-1 in favor of the Freshmen. During this half there was only one basket made, which was made by Capt. Ontko of the Freshmen. In this half there was little opportunity given for shooting, most of the time there was close guarding by both sides. One could not say that the first half was very rough as there were only 6 fouls called, 2 on the Freshmen and four on the Sophomores.

The second half was started by the Sophomore scoring—Lavely throwing a foul, Baldwin getting a basket which tied the score 4-4. The Sophomores continued to score by Lavely throwing in another foul and Barcus getting two field goals in rapid succession. In the second half the Freshmen made two field goals, Severn and Meredith each caging one.

For the Sophomores Barcus was the best shot getting 2 out of the 4 baskets made by the Sophomores. Capt Lavely played a fine guarding game, which proved disastrous to the Freshman team work. Meredith for the Freshmen was very effective in breaking up the Sophomores passing.

The score:

Sophomores—15.		Freshmen—12.
Barcus	F	Severn
Lavely (Capt.)	F	Lawhead
Clothier	C	Meredith
Hall	G	Ontko (Capt.)
Baldwin	G	Booth

Baskets—Barcus 2, Clothier 1, Baldwin 1, Severn 1, Meredith 1, Ontoko 1.

Fouls—Ontko, 6 out of 11; Lavely 7 out of 9.

Referee—Dunbar.

JUNIOR-SENIOR GAME.

The fast Junior team was defeated by the Seniors by the score of 19-16. The game throughout was marked by fast team work on both sides, also close guarding which resulted in few open shots. At different stages in the game. each side drew blood, hoping to swamp the other side with their large score, but all was in vain. Several times the score was tied the one side getting ahead and then the other. In the last half the Junior's played their best ball and proved to be very effective in shooting when near the basket for every basket they threw in the Seniors caged one also. The Seniors proved to be fine passers but on account of the good guarding by the Juniors it was very difficult to get an open shot at the basket.

The Juniors started the game by Engstrom getting a basket, the climax of a number of passes by his team mates. Swope soon followed by getting a basket also Peckham a few moments intercepted a pass and made another basket. Swope caged another basket, Ogden getting a basket, and then Engstrom under guard droped in an easy shot. With each side getting a foul the score tood tie. The last basket of the half was made by Capt. McKinney, making the score 9-7 in favor of the Seniors.

The Juniors in the second half caged two baskets in a few minutes, Odgen and Engstrom making them. Several times in this half the score was tie, once at 12-12 and a little later 15-15. This part of the game was very rough, also marked with poor shooting. During the remainder of the game the Seniors made two baskets and the Juniors threw in a foul.

For the Seniors Powell played a fine floor game and it was due to his fine guarding that the Juniors did not make more baskets. Coulsan for the Juniors, was the star of the game in the manner in which he broke up the Senior team work.

Engstrom was the high scoring man making 3 out of the 5 of the Juniors baskets.

The score:

Seniors—19.		Juniors—16.
Swope	F	Graham
Powell	F	Smith (Capt.)
McKinney (Capt.)	C	Engstrom
Peckham	G	Coulsan
Wilber	G	Ogden

Baskets—Engstrom 3, Ogden 2, Swope 2, Powell 1, McKinney 2, Peckham 1, Wilber 1.

Fouls—Smith, 6 out of 10; McKinney, 5 out of 10.

Substitutions—Miller for Peckham, Boyd for Swope.

Referee—Dunbar.

Time of halves—20 minutes.

20th CENTURY CLUB.

The Twentieth Century Club met Monday afternoon in the Y. M. C. A. lounging room. Miss Bessie Preston, '17, led the meeting which was an open discussion of the "Situation of the United States With Foreign Nations."

(Miss Ruth Pitt, '17, Department Editor.)

Miss Esther Ellenburger, of Greenville, was the week-end guest of Miss Madeline Rischell, '19.

The Misses Elizabeth Robinson and Caroline Bolten, of Oil City, were the week-end guests of Miss Audine Stanley, '20.

The regular Sunday evening Y. W. C. A. meeting was in charge of Miss Esther Emery, '18, chairman of the Association News Committee. The subject of the meeting was "Students Around the World." A special feature of the meeting was a solo by Miss Bessie Preston, '17. The leader told of the work in different parts of the world and what part we were playing in this work. We have two links at present, the Sister College Movement and the subscription for the aid of students in Europe. Miss Henrietta Leyda, '19, told of the student life in Indi., and Miss Pauline Rhoades, '18, of Princeton University work in China. The meeting was very interesting and gave the girls a broader outlook upon the work of the Association.

Sunday dinner guests at the Hall were Miss Rowley, the guest of Miss Helen Strickland, '19; Misses Florence Gibbons and Marian Cook, '20, guests of Miss Gertrude Simpson, '18.

The girls who spent the week-end out of town were: Misses Ruth Brumbaugh, '18, and Helen Miller, '20, in Franklin; Leda Brooks, '19, at Geneva; Mary Flahavan, '17, at Cleveland; Gertrude Monroe, '19, at Corry; Dorothy Evans, '20, at Erie.

The missionary committee of the Y. W. C. A. presented the pageant of scenes from the books studied in the mission classes before the Woman's Foreign Missionary Society of the Stone Church which met at Mrs. Mulfinger's on Wednesday.

ESSER BROS., 711 Penn Ave.

PITTSBURGH, PA.

Miss Helen Davidson, '17, and Miss Esther Averill, '19, visited Edinboro Normal Monday where they talked to the girls about student government.

Miss Lucene Jones, of Geneva, was the week-end guest of Miss Mildred Richey, '17.

Mrs. A. C. Fogo, of Wellsville, Ohio, was the week-end guest of her daughter, Miss Helen Fogo, '18.

Sunday dinner guests at the Hall were: The Misses Edith Rowley the guest of Miss Helen Strickland, '19; Marion Cook, '20, and Florence Gibbons, '20, the guest of Miss Gertrude Simpson, '18.

The Freshmen girls of the Kappa Alpha Theta Fraternity entertained the other Freshmen girls at an informal party in their rooms Saturday night.

Mr. David White, of Kittanning, spent Sunday with his sister, Miss Marian White, '19.

Mrs. James Freer, of Marion, Ohio, spent Saturday afternoon with her daughters the Misses Isabel Freer, '18, and Jean Freer, '20.

The Misses Carmen Kahle, '17; Mildred Hazen, '17; Hildur Johnson, '17; Martha Nebinger, '17, and Mrs. Hazen, of Titusville, were the Sunday dinner guests of Mr. and Mrs. O. P. Akers.

Miss Gladys McKinny, '20, was the Thursday dinner guest of Miss Alice Robinson, '20.

Mrs. H. G. Ogden, of Rochester, is the guest of her son, Mr. Jesse Ogden, '18.

The hostesses for Senior tea Thursday were Misses Agnes Smith, Gertrude Hanks, Grace Minroe, Pauline Stoltz, Rachel Maxwell.

Morning Watch was led Wednesday by Miss Henrietta Leyda, '19.

Mrs. J. H. Hazen, of Titusville was the week-end guest of her daughter, Miss Mildred Hazen, '17.

Miss Adelaide Singley, '18, entertained at two informal teas last week. On Thursday afternoon the Junior girls spent an enjoyable afternoon; and on Friday afternoon the Senior girls were entertained.

Miss Lucene Jones, of Geneva College, was the week-end guest of Miss Mildred Richey, '17.

Miss Dorothy Evans, '20, spent the week-end at her home in Erie.

Mrs. A. C. Fogo, of Wellsville, Ohio, was the week-end guest of her daughter, Miss Helen Fogo, '18.

The mission study classes were omitted last week, because of the union meeting of the Associations in the Chapel.

The Senior girls of the Alpha Chi Omega Fraternity entertained the other Senior girls at an informal party in their rooms, Saturday evening.

Miss Ruth Miller, '19, was the Wednesday lunch guest of Miss Adda Blair, '19.

Miss Esther Levis, of Clarion, called on Miss Mary Arnold, '19, Thursday afternoon.

Miss Ernestine Sprong, '19, was the dinner guest of Mrs. Mark Kelley, Thursday evening.

The Freshmen of the Kappa Alpha Theta Fraternity entertained the other Freshmen girls at a party in their fraternity rooms, Saturday evening.

Miss Mary Flahavan, '17, spent the week-end in Cleveland, Ohio.

Under the supervision of the Mission Study Committee of the Y. W. C. A., the stunts given at the Mission Study Rally were again given before the Missionary Society, at the home of Mrs. Mulfinger, Wednesday afternoon.

ALLEGHENY-GENEVA GIRLS GAME.

Geneva brought to Allegheny a team with more experience and endurance than Allegheny. Although beaten, Allegheny played a fine game, especially when the fact is considered that this is the first 'varsity team for the girls for two years. They were pitted against a team which has played five games this season and therefore were well prepared.

The first half it looked as though Allegheny would hold Geneva to a close score, but it soon appeared that Geneva was too fast. Allegheny didn't have the endurance to play up to them. The Allegheny guards fought well, but it seemed impossible to keep the ball at Allegheny's end of the field. Geneva's center was quick and always on the job.

The second half Allegheny was played out and couldn't hold Geneva, so that by the time Allegheny was showing quite plainly that she hadn't the endurance, Geneva was just warming up.

For Geneva Miss Burney made a wonderful showing with field goals while Miss Downe made a fine showing in the second half. Miss Hazen deserves special credit for her playing for Allegheny.

The score:

Geneva—31.		Allegheny—21.
L. McBurney	L. F.	A. Smith
M. Taylor	R. F.	G. Douds
M. Downe	C.	M. Hazen (Capt.)
M. Hunter	L. G.	L. Root
I. Allen	R. G.	M. Flahavan

Substitutes—Geneva: B. Gardner, M. Steele (Capt.), A. Wilson. Allegheny: Nebinger, Chase, Salchow.

Field Goals—Hazen 3; Smith 3, Douds 1, McBurney 6, Taylor 4, Downe 3.

Foul Goals—McBurney, 0 out of 3; Taylor, 0 out of 1; Downe, 5 out of 7; Hazen, 7 out of 12.

Score at the end of first half: Allegheny 13, Geneva 12.

Time of quarters—8 minutes.

Referees—First Half: Miss M. Neal of Allegheny. Second Half: Miss E. George of Geneva.

BISHOP THOBURN CELEBRATES EIGHTY-FIRST BIRTHDAY.

Last Wednesday was the eighty-first birthday of Bishop James M. Thoburn, '57. The occasion was observed quietly with Bishop Thoburn at his home in Meadville by a few of his closest friends.

The eightieth birthday of Bishop Thoburn, celebrated with fitting honor by the college, the city of Meadville, and the entire Methodist Church, is a vivid memory in the minds of all the students. It was the great privilege of the College to have Bishop Thoburn present at the Chapel for the exercises that morning, which were held in his honor, and to have him take part in the religious services. This year, although the students did not have the pleasure of celebrating the occasion with Bishop Thoburn, they none the less wished him a pleasant birthday and best health and happiness for the next year.

News Items

The series of lectures by Dr. John Scott, of Northwestern University, on Homeric Literature and its effect on other literatures, which was announced in the last Campus, has now been definitely scheduled for Monday, Tuesday, Wednesday, and Thursday of the last full week in April—April 23, 24, 25, and 26. Dr. Scott is expected to deliver four lectures. Three, which will probably come on Monday, Tuesday, and Thursday evenings at 7 o'clock, will be popular lectures to which the entire student body and the people of Meadville will be invited. The fourth lecture, which will probably be on Wednesday afternoon at 5 o'clock, will be intended more especially for classical students, although it will be open to everyone.

Last week two Alleghenians attended the inauguration of President Wilson at Washington. They were Frederick C. Pond, '18, and Lewis F. Acker, both of Company B of the Eighteenth Regiment of the N. G. P.

Sunday dinner guests at the Sigma Alpha Epsilon House were: Mrs. Downing; the Misses Marion Miller, 18; Edith Potter, '20; Helen Downing, '18, and Jean Plummer, '20.

The Sunday dinner guests at the Phi Kappa Psi House were: Mrs. Horace McKinney; Miss Boyd, of Sharon; Miss Dorothy McKinney; Miss Esther Allenburger; Miss Helen Kulp, '17, and Miss Madeline Rishelle, '19.

C. M. Miller, Jr., '17, is teaching German in the Meadville High School. Mr. Miller is filling the position left vacant by the regular instructor, who has been granted a month's leave of absence.

Track Work Now In Full Swing

GYM. IS FILLED WITH MEN WHO ARE PREPARING FOR INDOOR MEET.

The two interclass basket ball games and the Grove City game last Saturday night closed the 1916-17 basket ball season of Allegheny College. There is one remaining indoor athletic event of the year, and that is the Annual Indoor Track Meet to be held on the evening before the Easter Vacation, Thursday, March 29th. This interclass meet has become one of the important athletic events of the year, and the coming meet will doubtless prove to be as interesting, if not more so, than the average.

From now on the gymnasium will be open every morning and afternoon to the track men and Coach Hammett will be able to give his entire time to the track men since basket ball season has closed. In the coming meet all men are eligible, the only condition is that all entries must be in the hands of the coach by noon of the day of the meet. There is no entrance fee.

The events for the coming meet will be the same as in former years with the exception that no distance races will be run since the men have not had enough time to train for this event.

The events on this year's program with their records are as follows:

15 Yard Dash—2 1-5 sec.—Fahr, '15.

29 Yard High Hurdles—4 1-5 sec.—Fahr, '15.

75 Yard Potato Race—20 sec.—McCreary, '18.

Hugh Jump—5' 6"—Kramer, '16.

Pole Vaul—10' 8"—Wells, '14.

Shot Put—48' 5"—C. Dotterer, '14.

Coach Hammett is also planning to have the postponed cross-country race run off in the near future. The only hinderance is the inclement weather so when the roads get in a little better condition this annual event will be run off.

These two athletic events coming as they do in the near future will be very good workouts for the track team as well as a chance to give all new men the opportunity of getting in the swing of the coming season and of proving their ability to make the team.

The 'varsity schedule includes three meets with other colleges as well as the annual inter-scholastic meet. The entire schedule is given below:

May 12—Inter-scholastic. Meadville.
May 19—Geneva College. Meadville.
May 28—Carnegie Tech. Pittsburgh.
June 2—W. and J. Meadville.

DR. COBERN GAVE INTERESTING TALK IN MISSION STUDY CLASS.

The second meeting of the mission study class of the Y. M. C. A. was held on last Thursday evening at 6:45 in Cochran Hall. Dr. Cobern after a short resume of the discussion last week, which dealt with the people of non-Christian lands among whom the church is rising, took up the subject of founding the churches. After treating of the difficulties which face the missionary, Dr. Cobern discussed the lines of work which are open to the missionary, and how he can best win the non-Christian people to an acceptance of Christian teaching. The gospel presented must be no diluted form, Dr. Cobern made clear, but it must be a form which will transform men when it takes hold of them, and which will make them willing to sacrifice and suffer for it as they must do if they turn from their old religion.

The next meeting will be at six forty-five on Friday evening in the Y. M. C. A. room. At this meeting Dr. Cobern will take up ten difficulties which confront the missionary, such as the opposition of established religious systems, the persistance of pre-Christian superstitions, inherited traditions and social customs, family difficulties, adaptation to new standards of life, financial difficulties, educational and official disabilities, social ostracism, inherited conceptions of religion as form, and evil conduct of nominal Christians.

GERMAN CLUB.

The regular fortnightly meeting of the German Club was held last Tuesday evening in the Club's room. The subject of the program of the evening was, "Prominent German-Americans in the Revolutionary and Civil Wars." W. E. McConnell was in charge of the program which included the following numbers: "Baron DeKalb," by Miss Janet Simcox; "Gen. Von Storben," by Miss Claire Gates; "Two Financiers of the Revolution," by Stanton Eberlee; "Signal," by Miss Hanks, and "Karl Schurg," by Grant Norton.

At the conclusion of the regular program the entire club joined in the playing of games after which dainty refreshments were served. The meeting was without a doubt one of the best held by the club this year.

Sunday dinner guests at the Phi Gamma Delta House were Dr. and Mrs. Lee, Misses Eleanor Gill, ex. '17; Esther Stone, '17; Elizabeth Ling, '14; Ruth Mumau, '19.
