Mr. Lucius F. C. Garvin,
Lonsdale, R. I.

My dear Mr. Garvin:

Thank you for your note of September 20th, enclosing the bulletin of the Rhode Island Tax Reform Association, and the resolution which you would like to come before the Unemployment Conference.

As I do not yet know the exact range of the work of the Conference, I cannot of course promise to present the resolution; but you may be sure that I will give it a fair consideration.

Very truly yours,
