Dear Miss Tarbell:

I was delighted to learn from your recent letter that you are going to be here a considerable time and are to speak often on the Campus. I was in the President's office to-day and asked him when you were coming. He said about the middle of February; so that's that.

It has occurred to me that you might like to read my Arizona Characters before you come, or on your way West, so that you may know a little more of our background. It is out of print and I have only this one copy, and one that belongs to my daughter; but I am lending you mine and you may return it when you come.

We now have John Galsworthy among us. I think he is going to stay a good while. He was with us four years ago and we enjoyed him very much. With best wishes, and looking forward eagerly to your coming, I am

Yours sincerely,
Frank C. Rockwood
