Miss Thelma Wolfe
120 East Nineteenth Street
New York City, N. Y.

Dear Miss Wolfe:

The letter of Abraham Lincoln to Joshua Giddings, May 31, 1860, is not in the Giddings collection in our library. We also have a set of micro-film copies of the Giddings papers from the Library of Congress. The letter in question is not in the Library of Congress collection either.

You have probably seen the letter printed in full on page 376 of George W. Julian's The Life of Joshua R. Giddings (Chicago; McClurg & Company; 1892).

Sincerely yours,

K W M Kuntz
Assistant to the
Secretary-Librarian
