Dear Edna:

I am enclosing a memo of our talk on Mrs. Hartman's nomination. I am sure you can greatly improve it and do try. I have not put in the exact names as my Alumni book is not at hand.

I spoke to Victor last night about being on hand at Dr. Krech's on the afternoon of Friday, the 14th. He will want more explicit directions then I was able to give him. He asked me the number that would be present so as to know what to buy. I told him you would let him know. And I think the sooner you ~~do that the~~ speak to him the surer you will be of having him. Extras sometimes come at the Club and he has to find a substitute if he is not free.

Let me know if I can be of any more use.

Affectionately
