Dr. Lorine Pruette,
c/o E. P. Dutton & Co.,
681 Fifth Ave.,
New York City.

Dear Dr. Pruette:

I have been looking over for the second or third time your book on "Women and Leisure" and I should like very much to have a talk with you some day about it. Are you in New York and too busy to come to lunch or to tea. I could arrange it at your convenience and if you are willing to give me a call some morning - Stuyvesant 6674 - possible we could get together. It would give me real pleasure.

Very sincerely,

IMT BWK.
