Dear Miss Tarbell:

It affords me much pleasure to send you a copy of my book on Lincoln, knowing so well your deep and continued interest in this great American. Your work on his life and career has been of signal assistance to me in making my psychobiography, and I would like to show my appreciation of your lucid detailment of this supremely great personality by presenting my work in this field too.

With very best wishes and respects, I am,

Very faithfully,

Miss Ida M. Tarbell,
Bethel, Connecticut
