GOLD AND BLUE RETURN VICTORIOUS FROM OHIO TRIP

Ohio University Defeated 42-20—Following Night a 34-23 Score Taken From Ohio Wesleyan in Fastest Game of Season

To defeat two of the fastest teams in Ohio on the same trip, on two succeeding nights, and to defeat them by decisive scores without changing a man on the team or making a single substitution is a record any team might be proud of. Allegheny has done all this and returned from the western trip with a reputation of being the fastest eastern team that has ever visited Ohio.

The trip was a success from all standpoints. It ended in victory; it showed what the team can do when away from home; it brought out the friendly feeling existing between our Ohio neighbors; and it served to prepare the team for the future clash with the Pittsburgh teams in the approaching southern trip. The team played together as one man and team work has become the big feature of the Allegheny game. As Coach Hammett said, it was not the individual playing or the number of baskets shot that made the players. It was the floor work and passing that counted for the most.

If the western trip was the type of basket ball that the team will play for the remainder of the season, the success of the future schedule is assured and neither Pitt nor Tech look as dangerous as they did before.

The treatment of the teams could not have been better at either place and a most friendly feeling exists between all three schools. It was especially noticeable at Delaware where Ohio Wesleyan had splendid organized rooting, yet even in the practice before the game, if an Allegheny player should cage a hard shot he was given credit for it by the cheers of the crowd.

The first game of the trip was Ohio University which was defeated here the week before. The team started Friday morning from Meadville and after riding all day arrived in Columbus to spend the night and the next morning went on to Athens. In the meantime Cox was ill and under the doctor's care and it was feared that he would be unable to play. However, he was in his place when the first whistle blew and played a star game throughout the evening. Bianchi, whom the Ohio team had spotted when here, was given another man to play as Ohio changed forwards, but Volk was equal to the occasion and held his man to two baskets, making the same number himself. Bianchi devoted himself almost entirely to floor work and breaking up plays, with the result that while he scored no baskets, he held the Ohio score down to a low figure. Bash played a strong floor game and starred at shooting, his contribution being seven baskets. McKay played a good game, holding the famed Hendrickson to four baskets and in the meantime making three himself. The papers spoke of Cox's playing as being sensational, saying, "Captain Cox, of Allegheny, though ill, played a sensational game and dropped four baskets from the center of the floor that showed something more behind them than luck," and in their mention of the team, they said Allegheny was the fastest team that had ever been seen in Athens.

The game was not as fast in some

ways as the one played here the preceding week and the first half was nearly over before Allegheny came into its regular stride. The first half ended with a score of 16-10 but in the second the Gold and Blue got into its old form and steadily drew away until the end of the period when the game ended with a score of 42-20.

The line-up was as follows:

Allegheny—42. Ohio—20.
Cox (Capt.) . . . l. f. Bash
Bash r. f. Aumiller
McKay c. Hendrickson
(Capt.)
Bianchi r. g. Finsterwald
Volk l. g. Emdie
Field goals: Allegheny—Bash 7,
Cox 6, McKay 3, Volk 2; U. of Ohio—
Hendrickson 4, Aumiller 2, Bash 1.
Foul goals: Cox 6 out of 11, Hendrickson 6 out of 14.
Referee: Prugh, of Ohio Wesleyan.

The Ohio Wesleyan Game.

The next evening (Saturday) the game was with Ohio Wesleyan and this was the best of the season thus far. Here again the team was well treated and played before a crowd of enthusiastic Wesleyan fans who saw a splendid contest during the first period of the game.

The floor there bothered the team for some time, as it is much wider than the floor here in Meadville, and the defensive plays were harder to use. Both teams played each other to a standstill with the result that at the end of the first half the score was tied and the crowd was wild with excitement. The papers say of this game that "never before this season has Ohio Wesleyan been shown up to greater disadvantage due to the speed of the Pennsylvanians than in the game with Allegheny."

Cox's reputation having preceded him, Finsterwald was placed on him and guarded him so close that wherever Cox could get, his guard was dogging his footsteps. As a result, Cox did not try to shoot and instead played a wonderful floor game, passing to anyone who was near the basket and completely demoralizing the Ohio defense. In foul shooting he made the record of eight successful shots from the trials. Bash was unable to locate the basket during the first half, but in the second came back strong and caged five tallies. McKay, though shorter than his man by three inches, usually got the tip-off and in addition to a fast floor game he made three baskets to his opponent's two. Volk and Bianchi both played strong games on the offensive as well as defensive, scoring as much as the men they were guarding.

The first half was exciting every second of play, as it did not lag at any time, and at the end the score was tied 16-16. In the second half again, Allegheny showed its superiority from the first. Within a few minutes of play Allegheny had annexed three baskets before Wesleyan had scored and from this time on it was the same old story, Allegheny was steadily drawing away and the last period showed the real ability of the Blue and Gold. This time when the final whistle blew, the score was 34-23 and the trip had ended in victory.

The line-up was:

Allegheny—34. Wesleyan—23.
Cox (Capt.) . . . l. f. Smith, Willabhy
Bash r. f. Bonner
McKay c. Anderson
Bianchi r. g. Page (Capt.)
Volk l. g. Watkins
Field goals: Allegheny—Bash 5, McKay 3, Bianchi 3, Cox 1, Volk 1. Wesleyan—Bonner 3, Anderson 2, Page 2, Smith 1, Watkins 1.
Foul goals: Cox 8 out of 10, Page 5 out of 9.
Referee: Peckinpaugh, of Cleveland.

An invitation is extended to all college students to call at Veith's and inspect their clothing.

Lecture on French Art

L'ALLIANCE FRANCAISE HEARS FINE LECTURE BY E. L. MATTERN, '90.

The regular monthly meeting of L'Alliance Francaise was held Monday afternoon in the lecture room of Alden Hall at 4:30 o'clock. A large attendance of members of the organization and their friends were present at the meeting to hear the speaker, Mr. Edwin L. Mattern, '90, give his lecture.

Mr. Mattern is a well known attorney in Pittsburgh and is a favorite with the alumni. His spare time is devoted to the study of French and Italian and he has spent considerable time abroad where he has taken every opportunity to inform himself on French customs, as well as art and literature. With his wonderful preparation he was well suited to talk on the subject he explained at the meeting. His remarks were interesting and his whole talk was an education to his listeners.

The first part of his talk was devoted to a few general remarks on French paintings and the history of French art. After this he used a projectoscope and from a choice collection of about sixty cards, he illustrated his remarks with pictures of the masterpieces and of the best known painters of these periods. Those who have been following his articles in "The Bookman" were especially interested in the splendid lecture.

Two Fast Games Coming

HIRAM AND GROVE CITY SCHEDULED TO PLAY HERE IN NEXT TWO WEEKS.

Two of the best games of the season are close at hand and will be played here on the home floor within the next two weeks. Hiram College, which has in the past few years made a big reputation for itself in basket ball and this year has had a very successful season, is the next team to be met on this floor. Two of Hiram's big games have been with Case and with University of Detroit, in both of which Hiram has been the victor. In the game with Detroit last Saturday, the Hiram center scored eight baskets and the whole team played a fast game. With a few games like these behind them and with the stubborn resistance that Hiram has always shown when playing here, the Blue and Gold quintette will have to do some close guarding and make some accurate shots to get away with a score anything like those made on the western trip. Next Friday night will see this contest and from all the "dope" gathered at present it is going to be more than interesting.

The game that is arousing most interest, however, is scheduled for March 3rd, when Grove City will play here. That is all that is necessary to be said, for the alumni will be here and the whole student body will be on hand to cheer and celebrate if it results in the Allegheny victory. Grove City has the effect upon the ordinary Allegheny alumnus likened only to the old traditional "red rag" and no matter what the score may be, there will be all kinds of enthusiasm shown. Another little matter is the likelihood of an Allegheny victory. One glance at the Grove City record for the past season is enough to convince the most skeptical that this is going to be one of the hardest games of the season and will be characterized by the true Grove City pep and fight that they have always shown against Allegheny. Summing up these two games, the present outlook promises two of the fastest games of the season here at home.

The coach of Ohio University has recently deprived three 'varsity basket ball men of their positions, because they broke training rules and failed to attend practice.

Freshmen Lead in Fast Game

BEST GAME OF SERIES GOES TO NEOPHYTES BY 15-13 SCORE.

The hottest class game thus far in the season took place Saturday afternoon in the Gymnasium when the Seniors and Freshmen met and battled for superiority in the game which probably will decide their chances for the class championship.

The teams were well matched in weight and speed and both guarded so closely that no special team work was in evidence. However, the play was fast and the excitement was high every minute of the game. At no time was the game sewed up by either team; first one forged ahead and then the other, the score being tied three times during the game. Finally time was called in the last half when the Freshmen led by one basket with 20 seconds to play and the whole crowd going wild, but in that period of furious playing the Seniors were unable to overcome their handicap and the game went to the Freshmen at the final whistle.

The first half opened up with some fast floor work on the part of the Freshmen, which resulted in Clothier's dropping the first basket. He was immediately followed by Bell, who evened the score for the Seniors. Several minutes of playing followed with the score tied, when suddenly Dundon broke away for another point and was followed by Kramer. For the rest of the half neither side was able to gain any advantage, the playing was hard but not particularly rough, only two fouls being called. Just before the time for the half was called, McKinney caged one more point for the Freshmen. Score 6-4.

Second half was closer and rougher. At the start, McKinney tied the score with a clear shot and a few seconds later a double foul was called. Both sides scored, tying score again. Bell dropped two more baskets in rapid succession and Baldwin followed with one for the Freshmen. After a rough period of playing McKinney again tied the score with two successful fouls. Lavelly and Baldwin both contributed for the Freshmen and Bell for the Seniors. At the end of the half the score stood 13-15 in favor of the Freshmen.

The line-up was:

Seniors—13. Freshmen—15.
Ling l. f. McKinney
Bell r. f. Lavelly
Kramer c. Baer
Dundon r. g. Baldwin
Armstrong l. g. Clothier
Baskets: Bell 4, Kramer 1, Dundon 1, McKinney 2, Baldwin 2, Lavelly 1, Clothier 1. Fouls: Ling 1 out of 5, McKinney 3 out of 5. Referee: Bruce Kahle.

GERMAN CLUB MEETING.

The German Club met last Tuesday evening in Bentley Hall with C. H. Stevenson, '16, in charge of the meeting. The first of the series of special topics planned for the club was taken up in a very interesting manner. This topic was "German Cities and Public Buildings." J. G. Castle, '18, read a paper on "The Modern Way of Projection of Cities in Germany." He was followed by Miss Marguerite Beatty, '16, who gave a very interesting description of "The Universities of Germany." Mr. G. S. Craig, '17, was the next speaker and he took up in detail "The Streets and Parks of Germany." Miss Helen Kulp, '17, gave a full description of the "German Theatres and Concert Halls." The last paper to be given was by J. C. Weaver, '17, who devoted himself entirely to the "German Courthouses." Following the regular program, the initiation of Lionel Strong, '17, was held. This was voted to be one of the best meetings the club has ever held.

Cleveland Alumni Organize

NEW ASSOCIATION LAUNCHED WITH GREAT ENTHUSIASM. PRESIDENT CRAWFORD SPEAKS.

Last Friday evening a most enthusiastic gathering was held in Cleveland when the members of the Cleveland Allegheny Alumni held their first annual Washington's birthday alumni banquet.

About sixty persons were present and President Crawford, who attended the meeting, characterized it as being the liveliest and most enthusiastic alumni gathering he had attended this year. Plans were made for the foundation and continuation of an active alumni organization. New officers for the ensuing year were elected and important business was transacted. The officers chosen were C. W. Fuller, '85, President; A. C. Waid, '01, Vice-President; W. L. Mould, '09, Secretary and Treasurer; Advisory Committee, C. P. Lynch, '86; Frank A. Arter, '64; Mrs. O. C. Jones, '14; Miss Ida Preston, '11, and L. A. Wells, '14.

The banquet was held at the Women's Club and immediately following a splendid program of toasts was responded to by several of the members. C. W. Fuller, '85, served as toastmaster and in this capacity called on John Barkley, '11, for "The Tree". Miss Ida V. Preston, '11, spoke on "Blossoms", and the subject of "Cherries" was handled by Newton Chalker, '66. President Crawford was the last speaker and he gave a very able talk on "George", in which he spoke of the progress of the college at the present time and the new buildings and advantages it now has. Aside from the regular program, speeches were made by Mrs. C. J. Lynch, '86; W. G. Warner, '81; and F. A. Arter, '64. A quartet also rendered some of the old classics that were and are still favorites at this institution.

This is the first meeting of this kind that the Cleveland alumni have ever held and the success of the undertaking was due largely to the work done by Messrs. Wells, Mould, and T. W. Thoburn, who were the committee in charge. With such a rousing good send-off this association should be one of the strongest that is connected with Allegheny.

CLASSICAL CLUB MEETING.

Regular meeting of the Classical Club was held Tuesday evening in the club rooms of the Library, Professor McCay presiding. The subject of the meeting was a comparison between ancient and modern superstitions. Two very good papers were read which showed much work on the part of those who wrote them. The first one was read by Miss Bernice Thoburn, '16, and took up in particular the modern superstitions and their origins. She traced them back, many to the ancient Greek ideas and gave a very good idea of their sources. The second paper was by Miss Dorothy Stebbins, '17, who dealt chiefly with the ancient Greek customs which were founded upon superstition. She spoke of the superstitions of the marriage ceremony and of the home, some of which come down to this day. After these two papers were given, Professors Ross and Elliot made a few remarks and a general discussion ensued. In this discussion it was decided that all such foolish superstitions, as the unbroken chains of prayer which are circulated occasionally, should be suppressed, and that people should not further them by writing others as they demand.

FEBRUARY 22, 1916

It should be a source of satisfaction to Allegheny students that the Washington Birthday banquet promises to be such a success after the unusual pyrotechnical display of college spirit of last week. College spirit is a much-used term but not over-used in actual practice at Allegheny. In fact the traditions centered around Allegheny which do demand unselfish college spirit in carrying them to a successful finish have become so few of recent years that, like honored veterans of an honorable war, they should be treated with the utmost respect and care to preserve them as long as possible. Among these "last leaves" the college banquet should stand supreme. There is no reason why interest in this event should lag from year to year to be revived by an assembly rally before each banquet day. The trouble is with the viewpoint of Alleghenians and not with Allegheny herself. Why not create a new type of Allegheny spirit on the foundations of the old?

The College Banquet.

The members of the Phi Kappa Psi fraternity held their annual Founders' Day banquet last Saturday evening at the chapter house on North Main street. A number of the alumni of the chapter were present and responded to toasts.

QUILL CLUB MEETING.

The postponed meeting of the Quill Club was held last Wednesday afternoon in the Quill Club room in the Library. Miss Emma Waring, '16, had charge, and a program of "Contemporary English Poets" had been previously arranged. Four papers were given, which were well prepared. Miss Marion Miller, '16, took up John Masefield, who is perhaps the greatest living poet of today and who is at present traveling in this country. Miss Ruth Pitt, '17, read a paper on Alfred Noyes, who is another well known English poet of the present day. Miss Helen Adams, '16, read a paper, prepared by Miss Eva English, '18, who was unable to be present at the meeting. This dealt with Robert Bridges, a much older man than the first two discussed, and who has received the appointment of "poet laureate" of England, from George V. Miss Emma Waring then took up the work of Bliss Carman, who is an English subject, though in truth a Canadian, whose works are well known. Following these papers was an impromptu discussion in which four more names were brought up: Rupert Brooke, Stephen Phillips, Robert W. Service and Robert Frost. Several matters of business were taken up, including a motion, which was passed, for the club to use five dollars for the purchase of books of current works along the line discussed in the meeting.

The following poem from the pen of Rev. Robert G. Freeman, '04, of Pasadena, California, appeared in the Meadville Messenger last Saturday morning. It was enclosed by the author in a recent letter to a friend in Meadville:

I'm Glad.

I envy not their acres wide,
The luxury in which they ride,
The palaces where they abide—
I'm glad that I am I.

For I have health, and work and play,
Rich thoughts laid by for rainy day,
And a good companion on the way—
I'm glad that I am I.

And I have bonds no bank can buy,
I've friends who hold my friendship high,
I've bairns with laughter in their eye—
I'm glad that I am I.

And my life's call is clear to me,
The other soul is dear to me,
The Great Good God is near to me—
I'm glad that I am I.

W. A. Godsave, '15, and O. A. Parmenter, '14, are playing as guards on the Garrett Biblical Institute basketball team which recently defeated the Chicago Theological Seminary team by a score of 16 to 9. Godsave played a star game for Garrett. H. J. Hartman, '15, is captain of the Drew Theological Seminary basketball team.

With an attendance of 41 members, a banquet appropriate to the occasion and a scholarly address on a timely subject by Judge J. Henderson, '62, of the Superior Court, the annual meeting of the Meadville University Club was held a week ago Tuesday evening in Cochran Hall. Dr. J. J. Bullen, pastor of the Titusville Baptist Church, was the guest of honor. The environment was distinctly appropriate to the occasion, with handsome table decorations and the dinner in most capable hands. Dr. Crawford presided, and in connection with the business session the following officers were elected for the coming year: President, Dr. W. H. Crawford; vice-president, Edgar Huidkoper; secretary, Hon. Arthur L. Bates, '80; treasurer, E. P. Cullum, '82; board of governors, Dr. Franklin C. Southworth, Hon. John E. Reynolds and Hon. Frank J. Thomas, '85. Six new members were elected. Judge Henderson's subject was "The Relation of the United States to South America," and the keynote "common honesty." Following the meeting the club was invited by Dr. Edwin Lee to visit the new Carnegie Hall of Chemistry and look it over, and the invitation was very gladly accepted. Dr. Lee showed the party through the entire building, which is already partially occupied by his department of Allegheny College, and the inspection was a very pleasing incident of the evening.

Football Schedule for 1916 Announced

THREE HOME GAMES AND FOUR AWAY FROM HOME WILL FILL THE SEASON—NO THANKSGIVING GAME.

Manager Boyd, '17, of the football team, has completed the football schedule for next year, although it is yet to be ratified by the Athletic Board. The schedule, subject to such ratification, is as follows:

Oct. 7. University of Buffalo at Meadville.
Oct. 14. Geneva at Beaver Falls.
Oct. 21. Carnegie Tech at Pittsburgh.
Oct. 28. Grove City at Meadville.
Nov. 4. Pitt at Pittsburgh.
Nov. 18 University or Rochester at Rochester.
Nov. 25. University of Akron at Meadville.

The season opens late because of the late date set for the opening of the college. The Thanksgiving game has been dropped because of the fact that it prolongs the season to too late a date, and also out of deference to the wishes of President Crawford and Coach Hammett.

Offers were made by Penn State, West Virginia, W. and J., Syracuse, Colgate and Cornell, but were refused—in many cases because it was impossible to secure return games. Cornell offered a date late in the season, Nov. 18, as the manager was very desirous of getting the game. W. and J. offered to come here for a game.

Hiram is not on the schedule because that institution is to enter the Ohio Conference.

The University of Buffalo is the only new team on the schedule. Last year the Buffalo eleven defeated Rochester, and held Hobart to a low score. It lost to Grove City by a low score, and to Geneva.

This is the first time that Akron has ever been scheduled to appear against Allegheny at Meadville.

The great Pitt eleven will be even stronger than last year, as only one man, Captain Williamson, will be lost.

Arthur A. Swanson, '11, is now instructor in Chemistry at Princeton; Walter Kulp, '11, is instructor in Bacteriology at Michigan State Agricultural College, and Charles C. Hasley, '13, is instructor in Chemistry in New York University.

B. B. Breckenridge, '14, has recently secured a position as chemist at the Aetna Chemical Works, at Ambridge.

C. F. Baker, '15; H. R. Jacobs, '15, and F. H. Reichel, '15, who are doing graduate work in Chemistry under Dr. Lee, have been elected to membership in the American Chemical Society. The society is the greatest organization of chemists in the United States, and membership in it is both an honor and an aid to advancement in the profession.

Hulings Hall

On Tuesday evening last, the town Y. W. C. A. held a membership dinner and after that gave a pageant presenting the history of the association from its founding in 1866 until the present day. A number of the college girls assisted in the presentation. These were the Misses Jessie Howell, '18; Clarissa Randall, '19; Margaret Chapin, '19; Virginia Lewis, '19; Henrietta Leyda, '19, and Helen Abrams, '19. The entire affair was a success and the college girls who attended pronounced it a delightful affair.

Mrs. William Edwards, Jr., of Oil City, was the guest of her daughter, Miss Cecil Edwards, '19, Monday.

Mr. Joseph A. McLain, of Fredericktown, was the guest of his daughter, Miss Helen E. McLain, '18, Thursday.

Miss Hazel Emery, '10, of Conneautville, visited her cousin, Miss Esther Emery, '18, Wednesday.

Mrs. Leo Miller, of Wilkensburg, was the guest last week of her sister, Miss Leone C. Rial, '16.

The second of the series of Senior teas was held Thursday afternoon in Hulings Hall parlors. The hostesses were the Misses Nellie Roberts, '16; Mary Carroll, '16; Charlotte Whipple, '16, and Martha Kelley, '16. The music of the afternoon was furnished by an orchestra consisting of the Misses Esther Emery, '18; Marian F. Miller, '18, and Norene Saxton, '18.

On Wednesday evening Miss Richardson, the District Secretary of Y. W. C. A. work, spoke to the girls on "The Purpose of the Y. W. C. A. Jubilee."

The members of the Junior Class held sewing bees Tuesday evening at the Phi Gamma Delta house and Thursday evening at the Phi Delta Theta house.

Mr. A. C. Fogo, of Wellsville, visited his daughter, Miss Helen P. Fogo, '18, last week.

Mrs. Robinson, of Uniontown, spent the week-end with her daughter, Miss Agnes Robinson, '17.

On Friday evening, Miss Alice H. Spalding gave a very pleasing and enjoyable recital in the Y. W. C. A. rooms of Hulings Hall. The faculty ladies and young women who attended were well pleased by the charming manner in which Miss Spalding gave the numbers of her program. The recital was given under the auspices of the associate news committee of the Y. W. C. A. The proceeds of the evening went for the purchase of a sectional book-case and curtains for the Y. W. C. A. rest room. The music for the recital was furnished by Miss Besie Preston, '17; Miss Norene Saxton, '18, and Miss Marie Francis, '19. After the program refreshments were furnished by the social committee.

Miss Helen Bell, of the University of Wisconsin, was the guest of Miss Agnes Smith for several days. Miss Bell is the daughter of Mrs. Ellen Chesbro Bell, '90, the first president of the Allegheny Y. W. C. A.

The Misses Esther Averill, '19; Margaret Ross, '16, and Marion Miller, '16, were dinner guests of Judge Henderson on Friday evening.

Miss Helen Mackenzie, '16, spent the week-end at her home in Oil City. Her brother, a medical student at the University of Toronto, has just returned home this week from Europe, having been in Belgium since last May, in the surgeons' corps of one of the Canadian regiments. He has returned to finish his medical course and will go back to Europe in December as a surgeon if his services are needed at that time.

The girls of the Sophomore class enjoyed a delightful spread at three o'clock on Saturday morning in Hulings Hall. It is a custom among the Sophomore and Freshman girls in Hulings Hall to see which class can first have a spread without the other class knowing about it. This spread takes place near Washington's Birthday. This year the Sophomores were successful in having their spread without the knowledge of the Freshmen. The committee in charge was composed of Miss Jessie Howell, '18, and Miss Eva English, '18.

As a part of the celebration of the jubilee, Saturday evening, the hall dining room was effectively decorated with the jubilee colors, blue and white, and the tables were decorated with the Association flower and with candles and shades. Dinner was eaten by candle-light which gave a pretty effect over the room. After dinner toasts were made to the work of the Y. W. C. A. Miss Martha Kelly, '16, as toast-mistress, introduced the speakers. The first toast was made by Miss Emma Waring, '16, to the first President of the Y. W. C. A., Miss Chesbro. The second toast was made by Miss Helen Kulp, '17, who toasted to the progress of the Association. The third was made by Miss Marian Miller, '16, who toasted to the work of the present Y. W. C. A., and the last toast of the evening was made by Miss Esther Averil, '19, who toasted to the present Y. W. C. A. president, Miss Leone C. Rial, '16.

Among the Sunday dinner guests at the hall were: Miss Elizabeth Chase, '17, as the guest of Miss Esther Stone, '17; Miss Sarah Wiley, '15, the guest of Miss Louisa Smith, '16; Miss Ethel Curry, '19, the guest of Miss Pauline Rhodes, '18; Miss Lillian Fetzner, '17, the guest of Miss Agnes Robinson, '17; Miss Agnes Smith, '17, the guest of Miss Marian Miller, '16; Miss Dorothy Nichols, '18, the guest of Miss Gertrude Simpson, '18; Miss Helen Adams, '16, the guest of Miss Mildred Richey, '17; Miss Janet Simcox, '18, the guest of Miss Mary Arnold, '19; Miss Bernice Thoburn, '16, the guest of Miss Helen Gates, '16; Miss Dorothy Reed, of Sharpsburgh, the guest of Miss Helen Kulp, '17; Miss Helen Bell, of Wisconsin, the guest of Miss Ruth Brumbaugh, '18; Miss Helen Thoburn, the guest of Miss Claire Gates, '19.

Among the week-end guests at the hall were: Miss Dorothy Reed, of Sharpsburgh, the guest of her cousin, Miss Helen Kulp, '17; Miss Helen Bell, of the University of Wisconsin, the guest of Miss Ruth Brumbaugh, '18; Miss Josephine Sherwood and Miss Charlotte Rouse, of Union City, the guests of Miss Margaret Chapin, '19.

The Sunday night Y. W. C. A. meeting was in the form of memorial service for Miss Grace H. Dodge, former President of the National Young Women's Christian Association. Miss Lillian House, '17, was in charge of the meeting. Miss Eva English, '18, gave a reading, "Prayer of a City Girl." Miss Anne Strong, '16, told of the life and character of Miss Dodge. An interesting account of the Grace H. Dodge memorial fund was given by Miss Ruth Pitt, '17. Miss Spalding spoke additionally on the same subject. She made a very strong plea for the girls of the Allegheny Association to do their share towards making this fund a worthy memorial to Miss Lodge's life of great service. Miss Spalding also gave, in a very interesting manner, an account of the work of the National Association as she had observed it in Paris.

On Saturday evening the Alpha Gamma Delta girls entertained the Junior girls at a very delightful little party in their rooms.

The active members of Alpha Chi Omega entertained their town alumnae Saturday evening in their fraternity rooms.

The following girls spent Sunday at their homes: Miss Leda Brooks, '19, in Geneva; the Misses Hazel Linn, '18, and Winifred Linn, '19, in Espyville; Miss Gertrude Monroe, '19, in Corry; Miss Marie Frances, '19, in Columbus; Miss Marjorie Rhodes, '19, in New Castle.

The members of the Advisory Board of the Y. W. C. A., Mrs. Thoburn, Mrs. Akers, Mrs. Darling, and Mrs. Decker, were dinner guests at the hall Saturday evening for the celebration of the jubilee.

News Items

The members of the Phi Gamma Delta fraternity were very pleasantly entertained last Thursday evening by Mr. A. L. Ballinger and Dr. and Mrs. Snively at the Snively home on Baldwin street. Dainty refreshments were served and the evening was greatly enjoyed.

A regular meeting of the Philo-Franklin Forum was held on Thursday afternoon at four o'clock. Since the Speaker was taking part in the debate and the Speaker pro-tem was not present, J. Pieros, '19, was elected as temporary chairman. The debate was then held. The affirmative was upheld by D. C. Longanecker, '17, and G. A. Stetson, '19; the negative by R. L. Weide, '17, and P. C. Flick, '19. The decision was in favor of the affirmative. Since Professor Swartley was absent, there was no practice of parliamentary law. The debate was thrown open for general discussion and the meeting was then adjourned.

The Allegheny Chapter of Commons Clubs celebrated a week ago last Saturday night the first anniversary of its installation. A dinner was held in Cochran Hall, at which the active members, alumni and faculty members were present. President C. A. Nash acted as toastmaster, calling on R. L. Weide, '17; Prof. G. A. Mulfinger, Prof. C. A. Darling and R. N. Kendall, '16, for toasts. David McKinley, '15, was on the list but was detained by illness. W. A. Whiting, '14, and C. B. Baker, '15, made informal speeches. Prof. D. H. G. Matthaei, proctor of Cochran Hall, was a special guest and also made a few remarks.

The guests at Sigma Alpha Epsilon house on Sunday were: Dr. and Mrs. Lee, Miss Emma Waring, '16; Miss Helen Kulp, '17; Miss Marian Miller, '18, and Miss Dorothy Reed, of Sharpsburg.

Y. M. C. A. MEETING.

The regular meeting of the Y. M. C. A. was held as usual last Wednesday evening in Cochran Hall and the members enjoyed a rare treat in listening to both the program and the speaker of the evening. A quartet composed of Messrs. Dundon, Ellis, Miller, and Sanner gave a well rendered selection, and they were followed by the speaker, Judge F. J. Thomas, '85, of this city. All who were not there missed a splendid talk, for his remarks, though, as he explained, because of business cares, were impromptu, went straight home. He first took up the opportunities of young men nowadays in comparison with those of earlier times and showed it is easier now for a man to show his Christian colors than it was then. He told how all the great employers are awakening to the fact that it is the Christian men and Sunday School boys who are not afraid to live right, that are needed in the business world. A young man may be all right and a hustler, but his chances are far better if he is an active Christian, because when he is willing to spend his spare time working for the church, he isn't going to use it to get into trouble. This true Christian reputation is not made with ease for just being good does not work. One must DO good. That is what counts. Selfishness is the easiest fault to fall into and the most detrimental; unselfishness is the greatest asset that a man can have, for he is always trying to help some one and his influence is great. Young men today have great opportunities for influence, especially with the great preparations they can make for their lives, if they take advantage of them. One can not get Packard results on a Ford investment. We get out of life just what we put into it—and no more. Don't become discouraged; remember God is with you as long as you don't desert him; but also remember that the devil is not going to desert you either, so prepare yourself accordingly. You have your own life to live. Are you going to live it by putting all the good into it that you can so your good deeds shall return and be a blessing to your life?

Harvard is to have a swimming pool. The \$10,000 subscribed by graduates and undergraduates toward building a new gymnasium will in all probability be used for the building of the pool.
