Dear Madam:

Referring to your letter relative to the women members of the Spokane Chamber of Commerce, when we made a survey of this matter last October there were forty-three women members of the Chamber of Commerce, divided as follows:

Department heads in large institutions - 16
(some might be part owners)

Owners of public stenographic offices - 5

Property owners - 8
Owners of specialty shops - 2
Physicians - 2
Lawyers - 1

Representing women's organizations and unclassified - 9

Assuring you that we are glad to give you this information, we are

Yours very truly

M. A. Hammond

Office Manager.
