

September 30, 1936

Dear Carl Sandburgs

I want you to know
how deep your book "The People, Yes"
has gone in my heart and in my
judgment. I think you have done a
very big thing indeed - warm,
sympathetic, and so all-embracing.
So much honest contempt and such
great hopes. I read and re-read it.

Bless you for it.

Faithfully yours

Mr. Carl Sandburg
Harbert, Michigan
