

HOTEL NEW WESTON
34 EAST 50TH STREET
NEW YORK

My Dear Miss Tabell

Is cocaine smoking a private
affair - Is beating a wife and
children a drunkards private
affair - Is cocaine sniffing a
private affair?

How do you reason?
and how you live as I live with
a drunken husband?

No? - Well then revise
your spacious tolerance please!

Sincerely yours
Otho Gladys Snider

Nothing is "forlorn"
that debauches a
man - maddens
him - robs his
family and
bequeaths ruined
nerves to his

Children -
Not "forlorn"
