New York -

Dear Madam:

I read your story in
Liberty - of July 26 with much
interest & requested the
publishers to furnish me
the name of the manufacturer
of the "family bar" spoken of.
Their reply is enclosed.

I would appreciate it very
greatly, if you have no scruples
against it, to advise me the
name of the people who market
this merchandise.

I am interested, not from a
consumer angle, but rather

HOUSTON, TEXAS

from that of a "merchandiser".
I am looking for a new line
to carry to the Texas trade
& believe such a line would
have appeal to some people
down here for a short time
for the market would be
extremely limited down here
Thanking you for such interest
as you may show in the
inquiry, I am

Sincerely

Ho Danon
