My dear Mr. Pfeiffer:

You say you are interested in writing and painting. As to my opinion on the specimens of your work you submit - both the verse and the drawing are the work of a beginner. If you want to write and if you want to draw you must study and work steadily. Your first efforts only show that you are really interested in trying to learn.

You ask if I ever met Abraham Lincoln. No, Abraham Lincoln was assassinated when I was a child.

Hoping you will be successful in what you undertake, believe me

Very truly yours

Mr. Eugene C. Pfeiffer
