To Collectors of Lincolniana:

For forty-one years Lincoln's Birthday has been commemorated in New York City with a dinner under the auspices of the National Republican Club. Notable addresses have been delivered by many famous orators - including six Presidents of the United States. Sixty-nine speeches, delivered from 1887 to 1927 inclusive, have just been published in book form by this Club - primarily for its members. Only five hundred numbered sets have been printed from type (later distributed). A limited number are available at cost, or below cost, to libraries, historical societies and also to a few collectors of Lincolniana.

Volume one includes speeches by William M. Evarts, Shelby M. Cullom, Robert G. Ingersoll, Chauncey M. Depew, Albert J. Beveridge, Jonathan P. Dolliver, Horace Porter, Oliver O. Howard, Charles E. Hughes, Booker T. Washington, Benjamin Harrison, William McKinley, Theodore Roosevelt and Hannibal Hamlin.

Represented in volume two are William Howard Taft, Frank W. Gunsaulus, James R. Sheffield, Simeon D. Fess, J. Adam Bede, S. Parkes Cadman, Warren G. Harding, Nicholas Murray Butler, Job E. Hedges, Irvine L. Lenroot, Calvin Coolidge, James M. Beck, Curtis D. Wilbur and Frank B. Willis.

The two volumes, comprising 854 pages, bound in half Morocco, are $7.50 apiece, or $15.00 for the set. A few, bound in cloth, are still on hand at $10.00 a set. Postage prepaid.

Please let us know whether you wish a set of these rare and valuable "Lincoln Addresses". We wish distribution made so as to preserve these speeches for posterity.

Yours very truly,

NATIONAL REPUBLICAN CLUB.
