Dear Miss Tarbell - Now that
Spring is here I begin to won-
der if we could find you
at your farm some afternoon
about 5 o'clock, & if you
would give us a cup of tea?
If there is any chance of
seeing you there, will you
please give me the name
of the town or village
so that I can look up
roads etc. I go, next Monday
to a Convention of Nurses
at Atlantic City.

Sincerely yours

June 19 Margaret W. Thewissen
