OPPOSITE HOUSE OFFICE BUILDING

WASHINGTON, D. C.

December 26, 1929.

Ida M. Tarbell,
120 East Ninteenth St.
New York City.

Dear Miss. Tarbell:

We thank you for your kind letter of the 24th. Our cause
needs publicity more than anything, and if you can find a
way to make favorable mention of it in your writings, like
former Senator Bruce has done in December Current History,
it will be of untold value to the cause, and we will indeed
be very grateful to you.

Wishing you the compliments of the season, I am,

Sincerely yours,

F.W.B.HS.
