Mrs. Ellen Schum,
Findlay's Lake, N.Y.

My dear Mrs. Schum:

I have just received your letter of June 21.

I am sorry that there has been any reason for you to be anxious about the way Aunt Hattie's pension is being managed. It is impossible for me to go to Findlay's Lake now, but I am writing my sister and hope she will be able to go soon.

I am also writing to the lawyers and will take the matter up with the Pension Department if matters are not satisfactorily arranged.

Sincerely yours,
