My dear Miss Tarbell:

I should have answered your earlier letter before this, but I have been waiting to know a little more definitely about our proposed meetings.

We are delighted to know that you will speak for us on the subject of the "Business of being a Woman" on March 10th, and we have also received an acceptance from Prof. Jenks to speak on "Immigration" on March 17th. Dr. Cabot has been asked to speak at the third meeting in place of Miss Repplier, who is not well enough to keep any engagements at the present time, but we have not yet heard from him.

While these meetings will be held under the auspices of our Association for the purpose of making money for the Association, Woman Suffrage will not be mentioned or referred to in any way. The meetings will be held in private houses at 3 o'clock in the afternoon, and in all probability you will speak at Miss Jennings', 48 Park Avenue, but that has not been decided definitely.

We appreciate greatly your saying that you will give us your services on this occasion, and I shall see that an automobile is sent for you to take you to the meeting on March 10th.

I will let you know any further details later on, and we will send you a few tickets for the meeting at which you are to speak, to give to your friends.

Sincerely yours,

Alma Ricci Anderson

President.
