LIBRARY OF THE MUSEUM

27 Nov. 1935

Miss Ida M. Tarbell,
120 East 19th Street,
New York, N.Y.

Dear Miss Tarbell:

As shown by the enclosed notice,
we are removing the museum, which has necessitated
checking up library material. I find that there
are some items from our file on "Industrial Museums"
loaned to you. If they have served your purpose,
I should be glad to have them returned in the next
few days, but if not, perhaps we could arrange by
telephone a satisfactory plan for both of us. This
strange suggestion is made because I believe it might
be inconvenient for you after the library has moved
to the new quarters, but not yet re-opened. There
will be a period of some weeks, when it will be un-
available, though of course our mail will have un-
interrupted attention, if you meant to use that.

I am much interested in your forth-
coming publication and sincerely hope our fragments
of material were useful.

Very truly yours,

V.L. Dodge,
Librarian.
