Miss Janet Blair,
Secretary to Miss Tarbell,
132 E. 19th St.,
New York City, N. Y.

Dear Miss Blair:

We want to compensate Miss Tarbell for her excellent article which appeared in the Red Cross Magazine, and which we have permission from Mr. Phillips to copy in our N. C. R. News, which will go only to our own people.

The article was the best ever written concerning our Company. We have purchased 2,500 copies of this Red Cross Magazine, but that was not sufficient for our purpose, and we are therefore re-printing it.

Enclosed find a check for \$250.00, which please hand to Miss Tarbell, and thank her for the great good which our people will get out of the Red Cross article. I have no idea what the compensation should be for a matter of this kind, but if this isn't enough please advise me.

Yours very truly,

J. H. Patterson
