

THIRTY-FOUR GRAMERCY PARK

Dec. 10, 1917

My dear Miss Tarbell -

My thoughts and sympathies
have gone out to you often
during these last weeks. I
have been unable to write you
because I have had a very severely
injured right arm.

We came back to town
on Monday and with the
proper treatment - I hope

room to be all night - again.

Believe me, I feel
and understand the parting
with the dearest and oldest-
time life hold when one
must say goodbye to
one's mother.

Do let me know when
you are in town. I
want so much to take
you out to our little
country place for a
week-end.
