New York City

My dear Miss Tarbell,

I have just had a telegram from Dr. MacCracken,
saying that he has reserved time for you on Wednesday
morning, beginning at 10:40.

I hope this is not too early for you. I told Miss
McKall on the telephone today that you would want to see
the nursery, certainly, and would want to talk with Mrs.
Flannagan of the Experimental Theatre, and would want to
see the farm - these things in addition to the many other
academic features.

Sincerely yours,

MWS:MEM
