Hon. Thomas J. Prather,
Meadville, Pa.

My dear Judge Prather:

I want to thank you for your letter of December 7. I am glad you wrote me and wrote me fully as you did. You give me a line on this matter of Dr. Beiler that I have much wanted to have but did not know where or how to get.

I am writing simply now to thank you for your letter. I want to study it a little before I really write you. I expect now to be at the January meeting in Pittsburgh. Nothing shall keep me away if I can help it. I shall go prepared - the better for your letter - to resist any such action as was attempted in June at the Trustees' meeting. I cannot but believe that there will be other members of the Board that feel as we dod.

There was a Mr. Miller - I think the name was - a vigorous young man from Cleveland. I wish we might be sure that he would be there.

But, as I say, after studying your letter, I will write you again. I simply want you to know that the letter had been received and that I was grateful to you for sending it.

Sincerely yours,
