Mr. Albert R. McAllister,
Bridgeton, N.J.

My dear Mr. McAllister:

Thank you very much for your letter of August 30. I am always glad to know of persons - now rare - who really had seen and talked with President Lincoln. I would like to talk with Dr. Willetts myself, if you could arrange it for me, and to use his material. I have a piece of Lincoln work on hand now in which I could, if he were willing, use the interview.

My time is pretty well mortgaged this fall, but I should feel it a duty, as well as a privilege, to arrange to go to see Dr. Willetts. What is the proper procedure? Shall I write him and ask for an appointment?

Thanking you very much for your courtesy in writing me, believe me

Sincerely yours,
