THIS LETTER WRITTEN FROM
LITTLE BUILDING, 80 BOYLSTON ST. Boston

December 29, 1920.

Miss Ida Tarbell,
132 East 19th Street,
New York City, N.Y.

Dear Miss Tarbell:

The Boston Teachers' Association are very anxious to have you speak to them in March or April, and would greatly appreciate it if you could find time to come on from New York City for that purpose.

They would prefer a Tuesday or Wednesday. A Monday or Thursday might be arranged for, if necessary. It would be an evening engagement.

It was not possible to make the arrangements for this so that you could appear at the time that you are at Woonsocket, R. I. on Thursday, February 17th, and Rochester, N. H. on Friday, February 18th, which two engagements in our territory we trust you will find enjoyable.

If you pass through Boston, and have time, we would of course be most happy to have you visit our Boston Office.

If there is any service that we can render to you while in our territory, please let us know and we will be glad indeed to do all we can.

I will especially appreciate hearing from you as soon as possible relative to March or April for the Boston Teachers.

With all the compliments of the Season, I am

Sincerely yours,

THE COIT-ALBER LYCEUM BUREAU,

Elbert A. Wicker
