

Sept. 26, 1941

Dear Mr. Wall:

Just a note to beg that you'll hold onto your series for which you made a proposition for Allegheny College in your letter of Sept. 1, until the Purchasing Committee at the College is all back. Miss Rowley says she is thrilled by the series and that she'll not be able for a few days yet to get the attention of the Committee. So don't let anybody else have the set, please, until Miss Rowley can get a decision.

Faithfully yours,

Mr. Bernhardt Wall
