Dear Miss Tarbell:

This is simply to assure you that Mr. Mayes does not want the fact that the last of the "Our United States" series has been thrown off schedule to stand in the way of any arrangement you may wish to make for book publication. But if and when you come to some definite understanding, you might let us know when the book is to appear, so that we can govern ourselves accordingly.

I passed the word along to Mr. Mayes that part one of the autobiography will be done before the month is out, and I know he'll be all eyes.

Cordially yours,

Lawrence M. Consent
