Dear Miss Chandler:

I am returning you four photographs of Mr. Young as a boy and young man lent me by Mrs. Ida Young. These have been used by The American Magainze and enlargements of two of them are enclosed, the Art Department thinking that possibly Mr. Young might like to have them. The notes on the back in pencil were made by me at Van Hornesville.

The picture of the school and of Mr. Young and Uncle Abe came from Schenectady I think. If you have plenty of extras I would like mightily to keep them for my personal portfolio.

Very sincerely

Miss Gertrude Chandler
