SEASON ENDS WITH VICTORY

Allegheny Defeats Akron by Same Score as Last Year, 33-0--Scannell and Engstrom End Football Careers

The Blue and Gold, led by Captain Baldwin, completed the 1917 season last Saturday by trouncing Akron University at Montgomery Field by the score of 33-0. One year ago on the same day the locals completed their season by defeating the Ohio team by the same score. By their brilliant victory over the Buckeyes last Saturday, the locals were able to walk from the field without once having tasted defeat this season. In six starts Allegheny hung up five victories and one tie, Carnegie Tech being the only opponent that escaped the locals without defeat.

The snow that covered the field did not detract any from the spiritedness of the attack on either side. Both teams showed a reserve that had not been used in previous games, open play characterizing the offense of both teams. Allegheny seemed to have the edge in the forward passing game, although Akron used the aerial attack in hanging up the only two first downs that they garnered in the entire contest. Allegheny's defense against this mode of attack was much more efficient than was that of their opponents, this often resulting disastrously for Akron. Although the Buckeyes succeeded in completing several forward passes, the number that was grounded and intercepted by the locals was a large percentage of those attempted.

Allegheny secured her 33 points on two touchdowns by Kerr, one by Cook, M. Scannell and Baldwin, and three goals from touchdown by Kerr. In the first quarter, after losing the ball only once on downs, Allegheny marched the ball up the field as far as the 25-yard line, from which place Scannell carried it over on a long pass by Kerr. The second touchdown was hung up in the second quarter. Akron was in possession of the ball on their 8-yard line, and when Haley made an imperfect punt, J. Scannell recovered the ball on the 1-yard line. Cook carried the ball through center for the second touchdown. Akron's line was crossed twice in the third quarter. Kerr made a pretty return of Haley's punt, carrying the ball a distance of 25 yards for a touchdown. Baldwin made the fourth counter in this frame on a line buck within the 10-yard line. In the fourth quarter after Homan recovered Akron's fumble on the latter's 5-yard line, Cook and Kerr advanced the ball to the 1-foot line on two plays, and Kerr had no trouble sliding under center for the last touchdown of the day.

For Allegheny Kerr, Baldwin, M. Scannell, Filer and Homan starred. Both in offense and defense these men played stellar games. Kerr's running with the ball, and Baldwin's defense in the backfield were features of the game. The entire backfield worked well in offense but the defense was poor. M. Scannell, ex-captain and one of the best ends that ever wore the Blue and Gold, completed his fourth year of football in a manner that will keep him in the memory of the local fans for years to come. His fighting spirit alone is enough to make him valuable to a team without considering his superb defense work. Filer and Homan, at guard and center, respectively, played a high class brand of football throughout the contest. Their alertness on every occasion, and their general defense work was far above the average. Filer broke through Akron's line on several occasions and threw men for losses. Engstrom, who has been playing left guard since Heckman's injury in the Grove City game, was forced to retire from the contest at the end of the first quarter on account of a bad leg. This is Engstrom's last appearance for Allegheny on the gridiron.

For Akron, Thompkinson, Haley, Pfahl and Boediger played a hard, scrappy game to the finish The defense of Pfahl and Boediger was a feature of Akron's play. Thompkinson and Haley led their team in offense.

The summary follows:

First Quarter.

Kerr kicked off to Thompkinson, who returned the ball to the 30-yard line. Haley was held without a gain. Thompkinson made 1 yard around left end. Forward pass failed. Kerr was held at left end. A forward pass, Kerr to M. Scannell, netted 7 yards. When Baldwin made only 1 yard through left guard it was Akron's ball on downs. Ball on 8-yard line. Haley attempted to punt out of danger, but the punt was imperfect and J. Scannell recovered on the 1-yard line. Cook punched it over. Kerr kicked goal. Score, 14-0.

Haley returned Kerr's kick to Akron's 32-yard line. Haley went around left end for 4 yards. Swergart was substituted for Welcher. A forward pass failed. A forward pass, Haley to Swergart, netted a first down. Filer broke through and held Swergart for no gain. Akron penalized 10 yards Welty broke through and threw Swergart for a 4-yard loss. Haley to Miller forward pass, gained 6 yards. Scannell intercepted Haley's next pass on their 43-yard line. Baldwin and Preston totalled only 3 yards on the next two plays. Kerr's forward pass was intercepted by Thompkinson on the 28-yard line. Welty threw Thompkinson for no gain. Haley passed to Bierce for first down. Preston broke up the next two forward passes. Preston intercepted Haley's pass on the 50-yard line. Hall substituted for M. Scannell. Half over. Score, 14-0.

Third Quarter.

Preston returned Haley's kick from the 5 to the 25-yard line. Boediger threw Cook for no gain. Preston advanced 5 yards through right tackle. Cook made two through right guard. Vice-President, Mrs. A. W. McCoy.

No meeting in January, postponed because of college examinations.

In February: Lecture by Dr. J. R. Schultz.

In March: Program on Balzac in charge of Mrs. C. C. Cobern and Mrs. A. W. McCoy.

Arrangements for April meeting are not made as yet.

THOBURN CLUB.

The regular bi-monthly meeting of the Thoburn Club was held Thursday evening at 7 o'clock in the Oratory.

The subject discussed was "The greatest temptations I have met in Allegheny College."

Floyd English and F. A. Hammon were the speakers.

Mr. English first defined "temptation" as anything that would influence a fellow to deviate from a high standard of living.

After referring to the concern of the Faculty members to this subject, lately shown in the Y. M. C. A. talks of Drs Darling Elliott and Henke, Mr. English enlarged on the following statements, that there was not a bad boy in school, that most of them had been active workers in Sunday Schools and Young People's meetings at home, and that the only excuse they had here was neglect and carelessness.

Mr. Hammon showed that in addition to the temptations that we meet at home the college boy is in danger on the one hand of neglecting his studies for the college activities but on the other hand he is in perhaps a greater danger of spending too much time on his studies to the neglect of athletics, social functions, religious activities, etc.

He referred to the danger of a fellow throwing over all his set rules of conduct that he might conform to the ways of the crowd.

These talks were followed by a symposium in which nearly all the members took part.

The next meeting will be held December 6. Rev. Ora Miner, Pastor of the Cooperstown M. E. Church, will speak on "The Work of the Church in the Country."

Popular Poet to Appear Before Allegheny

VACHEL LINDSAY TO VISIT ALLEGHENY COLLEGE.

Vachel Lindsay, one of the best known of the younger school of American poets, will visit Allegheny College on December fourth to give readings from his own poems. The readings will be given in the chapel under the auspices of the Quill Club.

Mr. Lindsay, while he is one of the best known young poets in America today, has not merely surpassed others in the field; he has made a field for himself. His poetry is entirely different in style and idea from almost any that we are used to calling poetry.

Perhaps this difference is best expressed by the name which Mr. Lindsay himself gives to it. He calls it "The Higher Vaudeville." He is a master of the use of sounds to convey sense impressions, and uses a great many words that are not in the dictionary. His verses are never singsong; and are sometimes sung, sometimes shouted, and sometimes intoned in the style of the High Church.

An example of the latter style is the dirge written to bewail the death of a beloved kitten, and extolling all its virtues. The only break in the musical chanting of the dirge is one line which gravely informs us that "He washed behind his ears."

The following poem will illustrate at least one type of his poems, although he has written everything from jingles to the beautiful verse of the "Chinese Nightingale." This poem, "John Brown," deals with the negro superstition that John Brown was sainted:

I've been to Palestine.
What did you see in Palestine?
I saw the ark of Noah,
It was made of pitch and pine.
I saw old father Noah
Asleep beneath his vine.
I saw Shem, Ham and Japhet
Standing in a line.
I saw the tower of Babel
In the glorious sunrise shine—
By a weeping willow tree
Beside the Dead Sea.

I've been to Palestine.
What did you see in Palestine?
I saw abominations
And Gadarene swine.
I saw the sinful Canaanites
Upon the shewbread dine,
And spoil the temple vessels
And drink the temple wine.
I saw Lot's wife, a pillar of salt
Standing in the brine—
By a weeping willow tree
Beside the Dead Sea.

I've been to Palestine.
What did you see in Palestine?
Old John Brown.
Old John Brown.
And there he sits
To judge the world.
His hunting dogs
At his feet are curled.
His eyes half-closed
But John Brown sees
The ends of the earth,
The Day of Doom.
And his shot-gun lies
Across his knees—
Old John Brown.
Old John Brown.

This and others like it and unlike it, delivered in Vachel Lindsay's highly original style should furnish an evening not only full of value, but full of entertainment for all who hear him.

Four Allegheny Men Join the Colors

Two Sophomores and Two Freshmen Have Names Added to Honor Roll. Join Medical Corp.

W. W. Wiltsie, '20, L. A. Clough, '20, DeWitt Goodrich, '21, and George Wygant, '21, enlisted in the Medical Corp of the United States Army last week. They were given a short leave and immediately left college for their homes. They will be required to report for duty on Friday, Nov. 30, at Erie, and from there they will be assigned to some camp. These men have made a good impression during their stay at Allegheny and they will take with them the good wishes of the entire student body.

THE WOMEN'S STUDENT SENATE.

It's Activities for the Past Few Weeks.

The Women's Student Senate and especially the Student Government Board of the Hall, have transacted a great deal of important business during the past few weeks.

The first matter of importance was that of a Hulings' Hall Thanksgiving Party. This year there was more than one side of the question to be considered. Aside from the fact that it was the usual custom and that there would be no entertainment for Thanksgiving evening the points in favor of not having a party seemed to outweight those in favor. The expenses of such a party would be large, the amount of food consumed would be of value, and the preparations for such an affair would take a great deal of valuable time. The Board feeling that they were unable to voice the wishes of all the girls put the matter to the vote of the girls themselves. The vote in favor of it requiring a two-thirds majority was not carried.

Because of the fact that this formal party will not be held it was decided to hold an informal party for the town girls. Invitations have been issued and it is expected that the hall girls and their guests, together with the town girls, will have an enjoyable time. The arrangements for this informal affair are in the hands of the following committees:

Invitation, Miss Ruth Brumbaugh, '18.

Entertainment, Miss Madeline Rischell, '19.

Decoration, Miss Cecil Edwards, '19.

Refreshment, Miss Irene Wood, '18.

Last week a meeting was called of all the girls of Hulings Hall and the Annex. At this time the majority of the girls pledged themselves to eat the food given to them; to eat all the food on their plates; not to eat between meals; and to support Miss Moore, the matron, in whatever measures she might take for the conservation of food stuffs. Since this meeting a food conservation card has been placed on the bulletin board to show that the inmates of the Hall are doing their bit to help in the food problems of the matron.

The week of November eighteenth, Miss Isabel Freer, '18, and Miss Ruth Mumaw, '19, attended the Inter-Collegiate Student Government Conference at the University of Syracuse. There were thirty-five colleges represented and the conference was very interesting and helpful. Tuesday evening these delegates gave a report of the conference in the dining room. Miss Mumaw told of the entertainment which the girls of Syracuse tendered the delegates. Both Allegheny delegates were entertained at their fraternity Chapter Houses, besides the teas and the banquet given for all representatives. Miss Freer gave a report of some of the business matters which were taken up in the discussions of the conference. On the whole the Student Government Board of Allegheny ranks with the best. This is due to the fine cooperation of the whole body of girls. These reports were both very good and many fine ideas and plans were brought to the girls.

"Ed" Heckman, '19, is still confined in bed at his home. "Ed" was one of the mainstays on the line and played an excellent game all season. He was injured in the Grove City game. His injuries have proven to be more serious than were at first supposed. It is to be hoped that he will be able to be around again soon.

Allegheny Celebrates End of Defeatless Season

Saturday evening, after the 33-0 victory over the University of Akron, which terminated a defeatless season for Allegheny, the student body showed their appreciation of the good work of the 1917 team by the most enthusiastic celebration of several years. College spirit ran rampant and was so manifested that no doubt was left in the minds of the people of the city as to Allegheny's loyal support of her teams. In fact an impression was made that will live long in the memories of all.

Between halves of the Akron game, Cheer-leader Graham announced that the time-honored celebration centering around an immense bon-fire would be the feature of the evening activities to start at 7:15 P. M. Shortly after the game, the Frosh began to comb the surrounding country for bon-fire material. An old wagon was drafted into service and before long an ever-increasing pile was being built up on Montgomery Field. Great credit is due the Freshmen for their excellent work in building the fire.

Then about seven o'clock the men began to gather to the field and shortly after, the fire was started. As it steadily gained in size the crowd formed about it and Allegheny yells and songs filled the air. While the flames were at their height, Captain Baldwin was called upon for a speech and was helped to a position of prominence upon the old wagon. Then Coach Hammett spoke. About this time an interuption in the form of the Meadville Fire Department came upon the scene in response to the summons of an imaginery disastrous fire. They were sent away with the best wishes of all present.

Following the fire, the men formed a line and led by Cheer-leader Graham marched through the Campus and down town by way of Park Avenue, singing and yelling as they went. After parading the down-town section long enough to acquaint everyone with their presence, the enthusiastic rooters turned their attention to the theatres and business houses along Chestnut Street, entering each one without asking permission and leaving each only when the occupants were fully persuaded that Allegheny was still on the map. In several cases the impression created was very marked. After several hours of enthusiastic parading, yelling and singing, the line dispersed, but only after impressing the whole of Meadville with the excellence of Allegheny and her teams.

This occasion is very significant in that it proves that the Old Allegheny spirit still lives and will ever live, as long as the College exists.

ALLEGHENY HONORED—ALUMNAE OF THE COLLEGE SHOULD TAKE ADVANTAGE OF IT.

At a meeting of the National Inter-Collegiate Alumnae Association held last Spring, Allegheny was made eligible to membership. This association is composed of the majority of the best and also largest colleges in the United States. It corresponds to the Men's University Clubs in the large cities. The Alumnae of the college who reside in the larger cities will be glad of this opportunity to affiliate with the women of other colleges.

The monthly publication of the Association is known as the Journal of the Association of College Alumnae. Each month there is a column given over to the news notes from all colleges who belong to the Association. This will bring Allegheny into more prominence through these news notes; and also the fact that its standard is high enough to permit it to be represented will bring a wider eminence.

ANOTHER GIFT FOR THE COLLEGE

Mr. Frank A. Arther, late President of the Board of Trustees, and always a good friend and patron of Allegheny has just presented the College with a fine set of Babylonian cylinder seals and ancient tablets showing in a remarkable way the changes in the Cuneiform language and the different forms of documents used by the Babylonians in the age of Abraham and Moses. These ancient documents were obtained from Dr. Edgar J. Banks, the archaeologist, and were purchased under the supervision and by the advice of Professor Cobern. We thank Mr. Arter for this valuable gift.

EDITORIAL.

The football season is at an end now and the question comes up again as it has come up in other years, whether the team should not have some more substantial recognition of their services to Allegheny than merely a block "A." It is an acknowledged fact that they should be more adequately rewarded and it has been suggested that sweaters should be given to those members of the team who win an "A."

This question has been considered by the Student Senate and should be carefully considered by the student body If these sweaters are given to the team, it will have to be by a subscription from the students. The Athletic Association does not have sufficient funds left after the expenses of the football and basket ball season are paid, to make a present of sweaters to the team.

The members of the football team sacrifice a great deal for the college. They give up their time and risk their bodies in helping to spread the name of Allegheny among rival institutions. They work hard in all kinds of weather and "all that for a Golden 'A,'" as one member of the team said coming out of the Thiel game plastered from head to foot with mud.

Allegheny has always prided herself on the strictly amateur standard that the athletics have been conducted. We could make this gift to the team and not sacrifice the amateur standing of the players. Other colleges with whom we have athletic relations, give their players sweaters, among whom is Geneva.

There is one serious difficulty of taxing the student body at a time like this. In wartime all our time and money should be used in helping our country and no more nonessential issues should be allowed to come up than are absolutely necessary. The student body has been appealed to and nobly responded to appeals to help the country this Fall, and any additional subscription would fall pretty heavily on them. At the same time there is a real need that some system be devised to provide the team with sweaters. We would suggest that here would be an excellent chance for some alumni or some alumni association to serve Allegheny in a valuable and practical way and to get behind the athletics of Allegheny and support them, in the manner of the alumni associations of some of the bigger schools.

Y. M. C. A.

At the regular meeting of the Y. M. C. A. in Cochran Hall, last Wednesday night, the Rev. Mr. Lauderbaugh, pastor of the First Baptist Church, gave a talk on "The Stages of Christianity." He showed that while most Christians force themselves to do the thing which is right, there is a higher type which does right so naturally that seldom or never does duty need to be considered.

There was business of an extraordinary nature before the Y. M. C. A. H. M. Wissinger, the former president of the Y. M. C. A., felt that his extracuricular work was too heavy, and the Y. M. C. A. rather unwillingly accepted his resignation, being very sorry to lose him.

As his successor, P. E. Hollingshead, '18, was elected to pilot the Y. M. through the remainder of the year. Mr. Hollingshead is well fitted for the position, but can make the Y. M. C. A. the success it should be only through the cooperation of the student body. A larger attendance is desired at the Wednesday night meetings in Cochran Hall.

Y. W. C. A.

Tuesday afternoon a Japanese sale was held in the Association lounging room. Pictures and novelties were sold.

The Wednesday night meeting was in charge of Miss Eva English, '18. The meeting was an appeal to the girls to join the Bible Study Classes this year. Because of the world crisis and the criticism of Christianity, it is the duty of every girl to study the subject and learn whether or not Christianity is a failure.

The Sunday evening meeting was a Thanksgiving service. Miss Adelaide Singley, '18, was the leader. Miss Ruth Nash, '20, played a piano solo.

The leader said that although this year was one of sorrow, we had nevertheless great cause for thankfulness. Never before has our country had such financial prosperity. Never before has she had such an opportunity to help the world, to show her real spirit of democracy. We can be thankful that unto us has not come the sorrow of Belgium, but there has come the opportunity of America.

ACTIVITIES OF THE GIRL'S ATHLETIC ASSOCIATION THIS YEAR.

This year there has been more interest in gymnasium work and in girls sports than has been manifested for some time in Allegheny. This is perhaps due to the fact that Miss Kennedy, the physical director, is residing in the Hall. Miss Kennedy, who is a graduate of Oberlin, is full of enthusiasm for her work and has aroused much interest among her classes.

Basketball practice has already been begun. The classes are practicing for the class games, which will be played off immediately after the Christmas vacation. From the class teams the varsity squad will be chosen which will represent Allegheny in the inter-collegiate game to be held in the girls' gymnasium the last of the season.

The Athletic Association also has under consideration the subject of an Inter-Collegiate Conference. A letter has been received from the Girls' Athletic Association of Cornell asking the opinion concerning a conference to be held in the Spring at Cornell. This plan seems to be a very good one and Allegheny will be glad to cooperate to the best of her ability.

FORUM.

The Philo-Franklin Forum held their weekly meeting in Bentley Hall at 4 o'clock, Thursday afternoon. The topic for discussion—Resolved, that the Federal Government should own and control the railroads of the United States—resolved itself into a spirited contest between C. K. McClelland, '20, and H. E. Speer, '21, representing the affirmative, and C. L. Jones, '20, and D. J. Van Devander, '21, upholding the negative side of the argument. The negative speakers after a warm discussion emerged winners, having been able to bring home their points more impressively than their opponents. All speakers brought out fine points for consideration.

There will be no meeting of the Forum next week inasmuch as Thanksgiving Day comes next Thursday. However, the following Thursday the Forum will meet at the usual time. J. J. Humes, '20, and F. H. Mull, '21, will uphold the affirmative side of the debate—Resolved, that a state board of censorship of arbitration, similar to the Massachusetts Board, should be maintained in Pennsylvania, for the purpose of settling labor disputes. T. B. McCafferty, '20, and C. D. Morneweck, '21, will represent the opposition.

The new officers of the Forum are:
Speaker, C. L. Jones, '20.
Vice Speaker, Benson.
Secretary, Frank Morrow, '19.
Sergeant at Arms, C. D. Morneweck, '21.

All interested in debating and public speaking are urged to attend meetings of the Forum. The meetings are held every Thursday at four o'clock.

QUILL CLUB.

At the Quill Club meeting last Tuesday night a very entertaining program was given in connection with Vachel Lindsay, one of the new school of American poets, who will visit Allegheny December fourth to give readings from his poems.

The program was as follows:

Reading ....."Factory Windows"
R. E. McCreary.

"The Congo".....Vachel Lindsay
Dr. Schultz.

"The Chinese Nightingale" .....
.....Vachel Lindsay
Miss Esther Emery.

After this formal program Dr. Schultz and some of the members gave other selections from some of Lindsay's works. The suggestive nature of the poems; some of them being chanted, shouted or sung, helped to make the evening enjoyable.

The following new members were initiated into Quill Club: Musette Clouse, '19, Mary Arnold, '19, Louise Root, '19, Reverdy M. Clothier, '20, Gertrude Thomas, '20, Virginia Lewis, '19, Charles Jones, '19, Ruth Brumbaugh, '18, Nellie Reniers, '19, Meredyth Neal, '19.

READ THE ADVERTISEMENTS.

The Campus calls the attention of the student body to the necessity of patronizing the business men who advertise in these columns. The Meadville business men are spending good money to help make the Campus a success, and naturally they look for some returns on their investments.

Undoubtedly the business houses who are not running ads this year have what they consider good reasons for not doing so. But the fact remains that they are not advertising, and so are not pulling for the college. If the students will spend their money where it is wanted, the houses that are not now advertising will realize that they will have to run ads regularly to get the college trade that they most desire.

One class is composed of senior engineers and the other of men from various colleges. The aim of the course is simply to teach the fundamental principles of aeronautics and prepare students to enter Government schools of aviation.

Although there are 672 Freshmen, Smith has only 1,877 students this year in comparison with 1,917 last year.

PHI KAPPA PSI.

Letters have lately been received from W. Vincent Hays, '20, and John W. Harbaugh, '19, on active service in Europe. The Allegheny boys are all well, and hope for the best for the school this year. Harry S. Taylor, '15, Ralph H. Ware, '18, and John W. Harbaugh, '19, have been promoted to sergeants in the Hospital Unit, and A. B. Wilber, '17, has been made a corporal in the diagnostic laboratories. Vince Hays has been transferred to the Emergency Clearing Station at the Belgian front.

Individual Christmas boxes were sent to all the Phi Psi boys from this Chapter last week.

PHI GAMMA DELTA.

L. C. Drake, '17, after attending the game at Sharon visited the House for a day or so. He is working testing ballast tanks in the Great Lakes Shipyards at Ashtabula.

Sharon High School, coached by Leo McKay, '16, defeated the Westminster Reserves in a preliminary game at Sharon.

W. A. Ellis went south during the Summer to accept a position as assistant to Dr. Snavely in Red Cross work.

The Sharon game was attended by a good representation from the fraternity, not a single man being left in the House.

During the past week two or three attempts have been made to break into the Phi Gamma Delta House. None of these were successful, but the last one drew about a dozen barefooted sleuths out of the House, and several claim to have seen the burglar.

A recent letter from Alan Hutcheon, ex-'19, tells of his life in the Canadian army, in which he is a "leftenant" of the Royal Artillery.

DELTA TAU DELTA.

The following men dropped in to the House over Sunday and also took in the Akron game: "Prexy" Crawford, '14, "Doc" Haine, ex-'20, and Ray Cunningham, ex-'20.

Dale Painter, ex-'20, was here over Sunday again, stopping on his way back to Erie to report for duty after enjoying a brief furlough.

On Thursday evening a farewell reception was tendered to Dr. and Mrs. Hamaker who are leaving the city in the near future. Dinner was served at 6:30 and was followed by speeches under the direction of Toastmaster E. P. Cullom, expressing the regret of the fraternity and the community as a whole in the departure of Dr. Hamaker and his wife. Those who responded to toasts were Col. Lewis Walker, Judge Prather, F. F. Lippitt, D. A. Gill and R. E. McCreary.

Among those present besides the Chapter were Dr. and Mrs. Hamaker, Mr. and Mrs. Lippitt, Mr. and Mrs. Cullom, Mr. and Mrs. Alfred Bates, Judge and Mrs. Prather, Mr. and Mrs. Norton, Miss Elenor Gill, Col. Walker, Roy Phillips and Harley Carpenter.

"Bill" McConnell, who is studying medicine at Harvard, has been pledged to the medical fraternity, Nu Sigma Nu.

"Froggy" Arnold, '15, who has been in training at the training camp at Fort Niagara, secured a commission as 2nd Lt. on the completion of the course.

Go to Mendel's for Society Brand Clothes.

PHI DELTA THETA.

An addition has been made to the House. Anticipating a severe Winter, a storm door has been built on the back porch. Verne Reed was architect and boss carpenter.

Following the Westminster game at Sharon several Phis journeyed to New Castle and attended a dinner party given by Dr. and Mrs. Womer. Dr. Womer is a Phi from Penna Delta, "Gus" Engstrom, John Preston, "Micky" McClelland, Dallas Stevens, Floyd English, "Hal" Smith were among those present.

Sunday dinner guests at the House were: Dr. and Mrs. Leake, Dr. and Mrs. Schultz, the Misses Eva English and Marion White.

"Jack" Bright, '15, "Bob" Burns, '16, and "Bill" Brownell, '17, expect to spend Thanksgiving with the boys at the House.

"Junts" Volk received a letter from "Ski" Witherup, '15, the other day. He writes: "I am packed up and holding myself ready to leave at any moment. I am at present assigned to the 2nd Balloon Squadron and it will be the first squadron of this type to go across, and believe me we have been very busy getting it in shape for oversea duty."

"Ski" asks for his old friends to drop him a line. Address correspondence to Lieut. M. Lester Witherup, 2nd Balloon Squadron, Fort Omaha, Omaha, Nebraska.

'Jimmy" Neill, '17, is an assistant instructor of Biology, Massachusetts Agricultural College, Amherst, Mass.

SIGMA ALPHA EPSILON.

Ben R. Williams, '00, Capt. 112th Infantry, Camp Hancock, Ga., has been appointed as Major Judge Advocate. It is interesting to note that fifty-six years to the day after his father led a company from Butler, Pa., to partake in the Civil War, he was given the privilege of leading the boys of Butler to partake in the World War.

Lieut. Col. R. Bruce Gamble, '93, is in Meadville on business. He is located at Ft. Hancock, Ga., 112th Infantry.

Harold S. Levis, ex-'20, was married to Miss Catherine Carew, '17, on Saturday evening, last, at Erie, Pa. Mr. Levis will leave for Fortress Monroe, where he will assume his duties as a Second Lieutenant in the Coast Artillery.

Paul Singleton, ex-'18, lately a student in the University of Pittsburgh, enlisted for army service with three other men of the Pitt Chapter.

Sigma Alpha Epsilon regrets very much that the item in last week's issue which was intended to be directed to the boys of the local Chapter was construed to have been directed toward the Dean of Women. It was so worded that this construction was easily made. It was, however, not intentionally so directed.

ALPHA CHI RHO.

L. A. Pappenhagen, '15, is a Professor of Chemistry in the Oil City High School.

Howard Loyd, of Westfield, N. Y., spent the week-end at the House as the guest of C. W. Skinner, '20.

J. B. Henderson spent the week-end at the House with his son, J. H. Henderson, '20.

Mr. and Mrs. John Hurst were the guests of their son, A. R. Hurst, '20, during the latter part of the week.

H. M. Wiltsie, ex-'18, is employed in the Physical and Chemical Testing Laboratories of the Packard Motor Co., in Detroit, Mich.

C. F. Richmond, ex-'19, is attending the Western Theological Seminary in Pittsburgh, Penna.

THANKSGIVING.

President Wilson in his Thanksgiving Proclamation makes no attempt to recount the specific things for which the Nation at this time has cause to be grateful. Had he particularized, doubtless he would have given the result of the Second Liberty Loan a prominent place among those things for which the Nation should be thankful.

For the great result of the Second Liberty Loan campaign, with nearly 10,000,000 Americans rallying to the financial support of the Nation and subscribing over four and a half billion dollars for the purchase of Liberty Loan Bonds, is a cause for deep thanksgiving in the heart of every loyal American.

President Wilson says the Nation should be thankful that we have been given the opportunity to serve mankind as we once served ourselves in the great day of our Declaration of Independence by taking up arms against the tyranny that threatened to master and debase men everywhere.

So, too, can all subscribers to the Liberty Loan be thankful that they have been given an opportunity to aid in this great mission of America and have done their part toward giving to the world liberty and justice and security from the tyranny that threatens to master and debase all nations and all men.

Every purchaser of a Liberty Loan Bond has struck a blow for human liberty and for civilization and humanity. Let them remember this on Thursday, the 29th day of November, and be thankful.
