MISS C. C. WARD
GRYMES HILL
STATEN ISLAND

Dear Miss Tarbell,

I wonder if you home come back to town to whether you will come out & home lunch with us – I leave it to you to name the day

I called you up not because I was impatient to know if you were coming Decoration Day – (How would the Fourth do for your visit?) but I had a qualm 12 & 19 – it might be your office not your residence for Mr Victor Brenno had an office opposite the Club – & in that case I should have sent my letter to the Club – so I phoned, expecting

to get no answer & when I get you on the
phone had to hurriedly invent an excuse
for calling.

Personally I have no Lincoln or Civil
War data of interest. I listened constantly
to conversations & discussions with such
interest in my childhood & youth — a
few times I was told it did not
concern me & any letters that I may have
seen were not given me to read.

My sisters unusual stories I find
cannot with the exception of some
commonplace item added to make the
story hang together.

Hoping to have the pleasure of
your company.

Sincerely yours
Caroline Tarbell Ward
