Dear Mr. Andrew:

I have your note asking if you can submit my name in the group of fifty women your radio sponsor is considering for National Broadcast.

I am not keen on speaking these days but if your sponsor is willing to give me \$200.00 for four or five minutes on Lincoln, say what Lincoln would do now, the time to be around the birthday, February 12th, why I think I'll say "Yes."

Very sincerely yours -

Mr. J. Howard Andrew
