Dear Mr.Bridges:-

I have your letter of February 28th concerning the engagements at Talladega and Birmingham and have written both correspondents as to subjects. I am going to try to help Dr.Farley out with a new lecture, which I am calling, "Women I have known"(doesn't that sound like the regulation Lyceum thing?) I suppose you are sending me my routing at Oklahoma, I end at Henryetta, Okla. on the 11th. If I do not hear from you there I will make out the best routing I can.

As to the date at Merideth College, I might go down in April I think. I believe I have an engagement in Boston on the 20th. I would a little rather go after that, if it was equally convenient for you, perhaps go straight through to Raleigh from Boston. You better not fix the date if you are going to have it later than that until you hear from me as Mr.Wickes, I thought there might be one or two other engagements around Boston at this time.

I am obliged to you for changing the Talladega date so that I could get through to Cincinnati for the Sunday morning engagement.

Very sincerely yours,
