My dear Miss Kearin:

How kind of the Hunter College Graduating Class to send me these beautiful roses and of you to write this consoling note. Believe me, dear Miss Kearin, I am feeling very humiliated by my failure to keep my promise to talk to you at your recent Commencement. I regard it as an honor to be asked. I really wanted to meet you all, but very unhappily I was suddenly laid up for repairs. I hope it is not going to be long and that one of these days I may have the privilege of visiting the College and meeting its students.

Please congratulate your Class Members for me on their graduation, and believe me

Very sincerely yours

Miss Alice G. Kearin
