DEBATE WITH WESTERN RESERVE TOMORROW NIGHT

THE CAMPUS

OF ALLEGHENY COLLEGE

SECOND COLLEGE CONCERT IN CHAPEL FRIDAY NIGHT

VOLUME NO. XLIII. NO. 16 MEADVILLE, PENNSYLVANIA FEBRUARY 18, 1925

CROATIAN VIOLINIST TO GIVE CONCERT HERE FRIDAY NIGHT

Vlado Kolítsch to Present Second Number of College Concert Series

Vlado Kolitsch, accredited as a leading violinist, will be the artist for the second number of the College Series to be given in Ford Memorial Chapel on Friday evening, February 20, at 8:15.

Mr. Kolitsch is the young Coatian violinist whose recital in Carnegie Hall, New York, was such a sensational success. Although still a young man, he has already won wide recognition, particularly as an interpreter of the music of Mozart. He plays a violin which was once in the possession of that great master. Mr. Kolitsch will be assisted at the piano by Malvine Gardner.

The following program will be presented on Friday evening.

"Il Trillo Del Diavolo"..... Tartini-Kreisler

Violin Solo, Adagio and Fuga..Bach

Concerto in D Major.....Mozart

(With three original cadenzas by Leopold Auer.)

A Group of Czech Composers:

(a) Poem ..... Febich

(b) Love Song ..... Suk

(c) Mazurka ..... Dvorak

The management makes the following announcement concerning the arrangement made for the exchange of tickets. All who had tickets last year and desire to retain the same seats for the rest of the season may do so, if they will send their tickets at once to Prof. H. W. Church, giving the location of their seats as nearly as possible. The remainder of the concerts will be held in the College Chapel instead of the High school auditorium as was previously arranged for. Other ticket holders who desire to have their seats reserved for them should also

KALDRON STAFF PLANS MAKE-UP BY MARCH 1

ANNUAL WORK MOVES RAPIDLY —CHARLES TAYLOR GIVES UP ACTIVE EDITORSHIP

With most of the material of the "Kaldron" which is available at this time ready to be sent to the printer, the College annual is progressing much more rapidly than it has for many years past.

Nearly all of the individual photographs and also many of the group pictures have already been sent to the engraver. Most of the remaining pictures will be taken within the next few days. During this week the following groups will be photographed: Classical Club, Mutual Nourishment Society, individual basketball pictures, Swimming Team, and Quill Club.

All copy for the book is expected to be in by March 1. This is the earliest date that all copy has been completed and insures an early date of distribution

The management of the Kaldron has been turned over to E. Alexander Hill since Charles Taylor completed his studies at semesters. Charles Taylor, however, is still the editor of the publication and will return to Meadville whenever his presence is necessary.

ANNUAL PHILO-FRANKLIN ORATION CONTEST IS SCHEDULED FOR MARCH 6

All students desirous of competing in the Philo-Franklin Oration Contest, which is to be held Friday, March 6, should turn in their names to Dr. Stanley S. Swartley, who will have charge of the contest.

This contest, which is an annual event, is open to any of the men of the College. Three prizes are offered: $25, $15, and $5, for first, second and third honors, respectively.

SPECTACULAR GAME ENDS IN GROVE CITY VICTORY

ALLEGHENY OVERCOMES EARLY LEAD—CRIMSON WINS OUT IN FINAL RALLY, 36-27

After overcoming a seemingly disastrous lead, and playing their opponents to a standstill until the last four minutes of play, the Allegheny basketball team fell before a last minute Grove City rally on the local floor last night, and lost the decision to the Crimson by a 36-27 score.

The Blue and Gold seemed bewildered by the fast attack of Coach Thorne's outfit during the first five minutes of play, and clever work by Stephens and Fleming gave the visitors ten points before Allegheny had scored one. The locals got a start when McClurg scored on a foul, and followed it a moment later with a field goal. Judd scored two pretty baskets in rapid succession and Ross tied it up with a pair of two-pointers and a foul. The score at the end of the half was 17-15, Grove City.

Until Rose, Grove City guard, broke loose on a scoring rampage which netted him six field goals in about five minutes of play the final period was a see-saw battle.

McClurg, with five field goals, Judd and Rhodes starred for Allegheny, while Stephens and Rose led the visitors' attack.

NATIONAL Y. M. C. A. OFFICIAL TO BE HERE FOR TWO DAYS

W. H. TINKER TO SPEAK AT Y MEETING TONIGHT AND AT CHAPEL TOMORROW

Mr. W. H. Tinker, the Student Representative of the International Y. M. C. A. Committee for the Middle Atlantic Territory, one of the leaders of the Y. M. C. A. movement in America, will visit the College this week, to confer with the local Y. Cabinet and address the student body.

Mr. Tinker will speak at the Y. M. C. A. meeting tonight in Cochran Hall and will speak at Chapel tomorrow morning. He will remain on the campus all day Thursday. Any student desirous of meeting and talking with Mr. Tinker during his stay here can arrange for such an interview with Mr. R. R. Denison, President of the local Y. M. C. A.

STUDENTS TO BE AIDED IN GETTING EMPLOYMENT

COLLEGE Y AND CHAMBER OF COMMERCE CO-OPERATE TO FIND STUDENTS WORK

Through the efforts of the Y. M. C. A., in co-operation with the Chamber of Commerce, an Employment Bureau for the students has been organized. This bureau will undertake to secure work for college students. Students who are working their way through school will be given a preference over those who want work to earn spending money.

Of course, since work is scarce at present, a student cannot expect any extraordinary position. In fact, the work for a while will consist, in general, of shoveling snow from walks, cleaning windows, and doing other odd jobs. No doubt when the employment system is well organized, more desirable positions will be found.

Although this employment system is entirely new at Allegheny, it has been tried at Muhlenberg and Albright Colleges and at both places has been successful. If the system can be carried out here as is planned, it will be a great help to many students in getting through college.

Any student who is interested in securing work for spare time should fill out a card giving his name, address, telephone number, age, and the time he can work. This card may then be left either at the Registrar's office in Bentley Hall or at the Chamber of Commerce rooms down town.

Dr. Frederick G. Henke was in Syracuse last week at the installation of a new chapter of Kappa Phi Kappa, the honorary educational fraternity.

NOTED NEGRO LECTURER SPEAKS TO STUDENTS

DR. W. E. B. DUBOIS TALKS ON EDUCATIONAL PROBLEMS OF COLORED STUDENTS

Dr. W. E. B. DuBois, noted negro scholar, spoke to the student body at chapel services on Thursday morning, February 12, on the subject of educational problems facing the colored people.

The negro student in the United States has many problems confronting him. Many of them ask, "Is it necessary to go to college, and if so where can the best education be secured, in the North or in the South?" Doctor DuBois then pointed out how some of the Northern institutions were superior to those in the South. He compared the advantages of a college like Allegheny with a negro institution like Tuskegee or Hampton Institute. Some people regard the negro schools of the South as missionary institutions. The lack of efficient instructors and equipment is another great problem that the colored youth has to contend with.

Dr. DuBois spoke next on the life of the colored student at an American college The more ambitious colored boy seeks the college of the North because of the greater advantages it affords him. In a southern institution he is among people that he can claim as his own, but at a northern college he is isolated, he is not recognized, and his life is curtailed. This reception that is accorded him does not alone leave its effect on the colored youth but on the white also. By following natural rebuff, the white student misses a great deal in the development of the international mind, which is essential in establishing the right relations between the two races.

Doctor DuBois concluded his address by requesting that we remember one thing, that the great mass of people in this world are colored people, and that we will make the future difficult if we keep on building up purely artificial divisions of men. To advance on the problem of humanity we must rid ourselves of these dominating thoughts. "You are now the ones in power," he declared; "you carry out the precepts of Christianity and democracy as laid down; do not let the thought of color come between you and these high ideals."

CLEVELAND ALLEGHENIANS ARE INVITED TO HEAR LECTURE BY FORMER PROFESSOR

On Thursday, February 26, at 1:30 p. m., Frank C. Lockwood, former Professor of English at Allegheny, will lecture on the subject "English Coffee Houses at the Time of Addison." The lecture will be held in the School of Education, Stearns Road, Cleveland.

All Alleghenians in the vicinity of Cleveland on this date are cordially invited to attend the lecture as the guests of Lemuel R. Brown, former instructor in the English Department of Allegheny.

EXHIBITS IN LIBRARY ATTRACT MUCH INTEREST

HISTORICAL AND LITERARY WORKS ON LINCOLN AND DUBOIS PLACED ON DISPLAY

Two exhibits which have proven of much interest to Allegheny students have been on display in the showcase at the library during the past week. The first of these exhibits showed some of the works and achievements of Dr. W. E. B. DuBois, who was in Meadville during the last few days. The second group consisted of books and newspaper clippings concerning the life of Abraham Lincoln.

The Lincoln exhibit probably drew the most attention. About ten books were on display; these treat the life of this man from many different aspects. Some take up his early life, some deal only with different phases of public life, while others are complete biographies. Ida M. Tarbell, one of Allegheny's well known graduates, was represented in the display with her book, "In the Footsteps of Lincoln." Many newspapers from the year 1909 were also in the case. This year was the centennial celebration of the birth of Lincoln. The most interesting of these was a photographed copy of "Lincoln's Own Story of His Life."

The other exhibit, concerning Dr. W. E. B. DuBois, consisted principally of many of the works of this noted man. Several of the books of this author were on display as well as several copies of the "Crisis," of which he is the editor. There were, also, many other magazines displayed in which he had written noteworthy articles. Probably the most interesting part of the exhibit was photographs of the numerous Pan African Congresses which Dr. DuBois has held in the past ten years.

Stone Church Makes Plans For Centennial Celebration

Old Stone Church is preparing to celebrate the centennial of its organization the first week in March and to dedicate its new Sunday school building, Thoburn Chapel. An elaborate program has been prepared beginning Sunday, March 1, and closing March 8. Former pastors, Dr. Lucius Bugbee, now of Minneapolis, and Dr. W. S. Mitchell, now of Worcester, Mass., will give addresses. Bishop Hughes, of Chicago, and Dr. Ralph W. Sockman, of New York City, are other notable speakers. An outstanding feature of the eight-day program is the service on Sunday evening, March 8, given to the discussion of "Stone Church and Allegheny College." President Emeritus W. H. Crawford will preside at this service, and the principal address will be given by Bishop Harry Lester Smith, '04, of Helena, Montana.

Mr. James George, '75, of Bradford, Pa., is spending the winter at St. Petersburg, Florida. In 1915 Mr. George organized his class for a reunion, and is doing the same now for a reunion of his class in June, 1925. Of the twelve graduates of his class, seven are still living.

GENEVA AND WESTMINSTER NEXT FOR BLUE AND GOLD FLOORMEN

Allegheny Holds One Victory Over Each—Both Games to Be On Foreign Courts

Preventing the Geneva and Westminster quintets from gaining revenge for previous defeats is the next task assigned to Coach Baker's Allegheny College basketball team, Friday, February 20, the Blue and Gold outfit will go to Beaver Falls and meet the Covenanters on their home floor, and next Tuesday, February 24, the return game with Westminster will be played at New Wilmington.

From all indications, the Geneva game on Friday night will be the harder of the two. In fact, the Covenanters hold a decided advantage. Only by playing a superlative brand of basketball was the Blue and Gold able to gain a two point margin of victory over Geneva when the two teams met on the local court, and many "dopesters" openly predict a Geneva victory for Friday. The Covenanters are known to be particularly strong on their home floor. Victories this season over W. and J., Westminster, Thiel and Bethany, in games played at Beaver Falls, prove the truth of this statement.

Captain Judd did not play in the Geneva game here, however, and the presence of the big center in the Blue and Gold line-up will greatly strengthen Allegheny's chances against the Covenanters.

Westminster, a team which opened the present season with a string of convincing victories, but which has not been going so well lately, will be played at New Wilmington next Tuesday. Allegheny holds a decisive 31-20 victory over the Blue and White, and

VARSITY DEBATERS TO MEET WESTERN RESERVE TOMORROW

Strong Cleveland Team to Open Intercollegiate Forensic Season

Thursday evening, February 19, will mark the opening of the season for the College debating team, when it meets Western Reserve in a dual debate. The affirmative team will make the trip to Cleveland, while the negative team will debate here. The question on debate is: "Resolved, That the United States should ratify the Geneva protocol for the pacific settlement of international disputes."

The debate in Cleveland will be held at 8:15 in the Florence Harkness Chapel on the College for Women campus, Bellflower Road.

Messrs. John Gordon, E. J. Schruers, and Robert W. Leeper compose the affirmative team, with Robert J. Corbett as alternate. The negative team consists of Messrs. C. E. Hammett, A H. Bartlett, and R. H. Demmler, with Leroy Greenwood as alternate.

Instead of one expert judge, as was suggested by the Cleveland debators, three judges will render the decision.

The Cleveland Alumni Club is planning to entertain the Allegheny debators while they are in Cleveland.

In addition to the triangular debate between Allegheny, Wooster, and Oberlin, which is scheduled for early in March, two debates are being arranged for the Allegheny Freshman Team, one with the Penn State Freshmen, and the other with the Ohio Wesleyan Freshmen, to be held late in March or early in April. The Allegheny team will take the affirmative side on the question: "Resolved, That capital punishment should be abolished." Both debates will be held at home.

DR. DuBOIS ADDRESSES TWO LARGE AUDIENCES DOWNTOWN

COLORED LECTURER SPEAKS ON EMANCIPATION AND THE DEVELOPMENT OF LIBERIA

On Thursday and Friday evenings of the past week Dr. W. E. B. DuBois, noted negro lecturer, traveler, and author, addressed large audiences at the Grace M. E. Church. On Thursday he spoke on the emancipation of the negro, and on Friday evening he lectured on the development of Liberia.

In telling of the emancipation of the negro the speaker paid tribute to Lincoln and the great work he performed in the days when the existence of the country was imperiled. On Friday evening Doctor DuBois spoke on the development of Liberia. He told of the difficulties thrown in the way of the development by the interference of Great Britain, France, and Germany.

Doctor DuBois is regarded as a brilliant member of the colored race, and the impression he left with his Meadville audiences was that of a speaker of great capability, a clear thinker, and a profound student of the hopes and ambitions of his race.

MISSIONARY MEETING ASSEMBLES AT GENEVA

ALLEGHENY STUDENTS PROMINENT IN PREPARATIONS FOR ANNUAL MEETING

Geneva College, at Beaver Falls, Pa., will be the scene of the Annual Student Missionary Conference over the coming week-end, February 20, 21, and 22. There will be men and women from 22 educational institutions at the conference, representing schools in western Pennsylvania and northern West Virginia.

This conference is the only opportunity in the school year for the students from this whole territory to get together for a discussion of personal, campus, and world problems. Any student is eligible whether having missionary inclinations or not.. The Allegheny Y. M. C. A. and Y. W. C. A. are anxious to have a number go from here. Those interested should consult with the Association presidents, Miss Debolt and Mr. Denison.

Good speakers, banquets, and interesting discussions will feature the conference. Mr. Denison is the Chairman of the Conference.

GIRLS' GLEE CLUB REHEARSING TWICE A WEEK FOR FIRST CONCERT

With two rehearsals each week, the Girls' Glee Club is rapidly shaping into presentable form. Although no definite plans have been made concerning the first concert, it will probably be held about May 1.

STUDENTS TO USE ROOMS OF CHAMBER OF COMMERCE

MEADVILLE BUSINESS MEN MAKE GENEROUS OFFER TO MEN OF THE COLLEGE

The men students of the College met in Ford Chapel Friday morning, February 13, and were addressed by Mr. W. R. Lunk, of the Meadville Chamber of Commerce, who proposed a closer friendship between that organization and the College students. Plans were made whereby the students, on the payment of a fee of 25 cents, may obtain membership tickets through the College office which will entitle them to the privileges of the rooms of the Chamber of Commerce where they can shoot pool, play quoits, or indulge in other forms of recreation.

The "student courtesy" tickets, as they are called, will be issued only to those students whose grades are such as to enable them to participate in outside activities. This is done to prevent any possible detraction from the school work of any of the students.

The men of the College were highly in favor of Mr. Lunk's plans as he outlined them, and it is expected that the business men's offer will be eagerly accepted.

TRUSTEES VOTE SUM TO LIBRARY FOR NEW BOOKS

ALL DEPARTMENTS OF COLLEGE TO RECEIVE SHARE OF NEW MATERIAL

As a special appropriation for the securing of needed books, one thousand dollars has recently been voted to the book fund of the College Library by the Board of Trustees.

The allowance for this department has been less this year than formerly, so the appropriation is especially welcome at this time to build the various department collections. At present this money has not been apportioned to any particular departments but this will probably be done within the next few weeks.

Already during this college year 825 books have been added to the collections at the library and are now in general use. This additional appropriation will insure a fine supply of all the latest material that will be of value in all the branches of the College.

Young Men Discuss Love at Weekly Meeting of Bible Class

At the College Men's Bible Class in chapel Sunday morning, the fundamental thing of Christianity was discussed. Love was named as this fundamental thing and was defined as an inherent feeling within one which must have an external stimulus. Association is the basis for the exhibition of love, since no man can love anyone without associating with him. Christianity could not stand without society or groups. The highest expression of love is loving one's enemies.

Hate, the other extreme of Christianity, is a matter of preservation. It may either be expressed in fighting for self, for the group, or by sexual instinct. It is caused by love of one's self or group.

MORE PUBLICITY FOR ALLEGHENY

Almost as regularly as the years roll around, some loyal Alleghenian voices the plaintive cry that the College is not getting the publicity in daily newspapers that an institution of its kind deserves. Almost as regularly, however, that same loyal Alleghenian does nothing about it.

There is no one to blame for the lack of Allegheny publicity, athletic and otherwise, but ourselves. Newspapers are not going to come to us coaxing for copy, but we can feel reasonably sure that, if we send them well written, newsy material, they will publish it. The thing that we must do, therefore, is to provide some organization or system within the College itself that will take care of our publicity as it should be taken care of.

The Campus, at this point, ventures to propose a specific plan for college publicity. It would involve the expenditure of a little money but not much. Perhaps the treasury of the Alumni Association would finance it. The plan is this. Have some student experienced in newsgathering, perhaps a member or former member of the Campus staff, appointed publicity agent. It would be his duty each day to write eight or ten items concerning happenings about the College. These news stories would be multigraphed and mailed each day to the papers of the various cities in this vicinity. It is quite certain that not all the papers would publish all of the stories, but it is almost equally certain that some of the papers would publish some of the items. It would cost perhaps one hundred fifty dollars to get such a system started, for it would be necessary to buy a typewriter and a multigraphing machine. Running expenses should not exceed fifty dollars a year, for the only costs would be paper, postage, and telegram charges. The position of publicity agent could be made to carry as much prestige as the editorship of any publication, and it is quite possible that the publicity agent should be made a member of the Allegheny College Publications Board.

This plan has been presented to the secretary of the Alumni Association, and it has been briefly discussed at a meeting of the Publications Board. It has its defects, of course, but is submitted to the readers of The Campus with a view to stimulating both thought and action on the problem of getting more publicity for Allegheny.

WESTMINSTER SPORTSMANSHIP

Human nature is more destructively than constructively critical. That is the reason Allegheny fans are quicker to see the bad points in an opposing team's sportsmanship, than its good points. That is the reason that most sport enthusiasts, when they find nothing to criticize in their opponents, are apt to be silent rather than laudatory.

This fact was brought out in our recent game with Westminster. The New Wilmington team was not "razzed," because they did nothing to be "razzed" for. On the contrary, they played the most sportsmanlike game that has been seen in the Allegheny gym this season. The outstanding feature of their clean playing was that never were unnecessarily rough hands placed on the injured arm and shoulder of Captain Judd. There are teams who would have taken advantage of Judd's condition and subjected him to harsh treatment in the hope of putting him "hors de combat."

We wish to show our New Wilmington friends that their courtesy and sportsmanship have not been overlooked and to assure them that Allegheny likes to have teams of the Westminster type on her schedule.

FIRE PROTECTION FOR BENTLEY

As you climbed the trembling staircase to the third floor of Old Bentley did it ever occur to you what a dangerous fire trap the building really is? The sentiment connected with the historical structure often leads us to overlook the impractical phases of its now obsolete construction. As high as sixty students are accommodated in the two class rooms on the third floor at one time, and yet the only exit is a hundred year old wooden stairway three feet in width, which creaks threateningly when a half dozen students tread on it at one time. The situation on the second floor is even worse. The outside walls of the building are perfectly smooth and would provide no means of escape in case of necessity. The entire construction of the building is of wood, and once kindled, the floors and stairways would be consumed like a flash.

The possibilities of the situation are too horrible to imagine, if fire should break out during classes some morning—and stranger things than that have happened. The basement of the building is filled with old furniture, lumber, rubbish, and what not, and would provide a ready starting place for a fire. Yet in view of these existing conditions there is neither rope, fire escape, hose, or hydrant anywhere in the building.

How this matter can have escaped the attention of the Board of Underwriters or of the Trustees of the College is indeed strange, but it is certainly one which should be taken up immediately,—before it is too late.

ALPHA GAMMA ALUMNAE ENTERTAIN AT VALENTINE PARTY

The alumnae of Alpha Gamma Delta entertained the active chapter Saturday evening, February 14, with a Valentine party. The affair was held at the home of Miss Anita Phillips on Chestnut Street. All the activities of the evening carried out the Valentine spirit.

Charles Bollinger, '23, who has been a graduate student at Harvard, has left that institution to go with the Nielson Lecture Bureau in Pittsburgh. He will remain with that company during the remainder of the school year.

MEMBERS OF PHI DELTA THETA ELIGIBLE FOR PRIZE OF $50.00

The sum of $50.00 has been anonymously offered to the student of the Allegheny Chapter of Phi Delta Theta who has the highest scholastic average in that fraternity during the current year. The prize will be awarded in June.

The prize of $25.00 to the student of the College who has the highest percentage at the end of the year on a basis of 50% for scholarship and 50% for general qualities, which was announced in last week's Campus, is offered by Dr. W. A. Womer, '00, of New Castle, Pa.

INTERCOLLEGIATE ITEMS

Dartmouth recently passed a rule which forbids the pledging of men to fraternities in their freshman year.

Four full college courses are now being broadcast by Mercer University, the pioneer in the field of giving college courses over the radio.

A tour of Europe is being offered to a limited number of students by the College Magazine of New York. Students making the trip as representatives of the Magazine will make the tour free of expenses.

Lehigh University now offers several courses in practical sports. Among the courses being given are Organization and Administration of Physical Education, theory and practice of basketball, baseball, football, swimming, track, and field.

Three hundred freshmen of the Louisiana State University at Baton Rouge, went on a rampage after their heads had been shaved. They invaded Baton Rouge High School and dragged students and teachers from the rooms and cut their hair. Three women instructors and several girls were among those to have their hair cut. Cutting the freshmen's hair is an annual event at the University but never before has the invasion of the High School been effected.

A course in good conduct is being given at Eureka College by the professor of Home Economics.

A newspaper library is just being completed at the University of Iowa school of journalism which will contain an edition of every daily paper in the country, some 2,500 in all. Each paper is being fastened to wallboard in a vertical position so that its makeup can be studied easily. This is believed to be the only library of its kind in existence.

THREE DEPARTMENTAL CLUBS HOLD COMBINED BANQUET AT KEPLER HOTEL

Friday evening, February 13, the Oxford Club, in connection with the History and Political Science Club, and the Philosophy and Education Club, held a supper at the Kepler Hotel in honor of Dr. W. E. B. DuBois, who lectured in chapel last week.

After the supper, Dr. DuBois talked of his work, with especial emphasis on that part of it connected with the "Crisis," the magazine his organization publishes.

ATTAINMENT OF HAPPINESS IS TOPIC AT WOMEN'S BIBLE CLASS

Sunday morning, at the meeting of the College Women's Bible Class in Ford Chapel, Mrs. A. S. Emig discussed the way to attain happiness. She illustrated her subject by the use of a story about a girl who traveled through life on the Railroad of Happiness. On her journeys the girl found that there was much need for love, truth, and purity, in life. True happiness can be attained only by the possession of these three qualities.

Y. M. C. A. DISCUSSES COLLEGE ETHICS AT OPEN MEETING

At the Y. M. C. A. meeting held last Wednesday evening in Cochran Hall, there was an open discussion upon college ethics.

Several helpful suggestions for bettering the morale of the College were given by the Y members. A few of these suggestions are that high ideals be kept constantly before the students, that Y members so live that others may be benefited by their lives, and that the interest of the freshman in the Y. M. C. A. be secured early in each year of school.

Ruth Elliott spent several days between terms in Cleveland as the guest of Ida F. Preston, '11.

ADMINISTRATION OF DR. BUGBEE —THE BURNING OF CULVER HALL

During Dr. Bugbee's administration a plan was drawn up for a building to serve as the Women's Quarters. Marcus Hulings of Oil City, a Presbyterian, became the donor and agreed to give five thousand dollars toward the building, provided a like sum should be raised by the Board of Trustees. Friends of the College quickly secured the desired amount and Mr. Hulings increased the amount of his gift. Within three weeks after the first offer, June 25, 1879, the cornerstone of Hulings Hall was laid during commencement. Miss Ida M. Tarbell, '80, read a paper representing the student body. Miss Harriet Linn, '80 (Mrs. R. C. Beebe), was the first Dean of the Hall.

Dr. Bugbee was not a man of vigorous constitution, and he resigned to recover his physical powers in 1882. Failing to recuperate, he was taken by death in the following year. The same praise is due him as the other presidents of Allegheny—in short, he left a better Allegheny than that to which he came.

A great disaster befell the College in December of 1882, when Culver Hall burned like a tinder box. Sixty students escaped from the flaming structure at three o'clock in the morning with the thermometer registering 20 degrees below zero. No one was injured in the hasty exit, but heroic as well as ludicrous experiences can be related by those who made their way to safety on that wintry early morning.

Dr. Hamnett became acting president upon Dr. Bugbee's death, and held that office until 1883 when the Rev. David H. Wheeler, D. D., LL. D., was elected president by the Board of Trustees. Dr. Wheeler was born at Ithaca, N. Y., in 1829, but moved to Illinois with his family where he entered the Rock River Seminary. After having some experience in school teaching and journalism, he became professor of Greek in Cornell College, Iowa. As U. S. consul to Italy at Genoa, and as war correspondent of the New York Tribune, he lived abroad, He next organized the bureau of press correspondence in London, but was brought back to America to fill the chair of English Literature in Northwestern University at Chicago. He published "Brigandage in South Italy," and became editor of the "Lakeside Monthly." He was editor of the "Methodist" in New York City when he was called to Allegheny College.

VALENTINE DINNER GIVEN AT HULINGS HALL FRIDAY EVENING

Friday evening a Valentine dinner was given for the girls of Hulings Hall. The dining room was decorated with hearts and red crepe paper, while the tables were gay with red candles and favors. During the dinner the girls sang college songs.

Alumni

Mr. and Mrs. Theodore Case Hill of North East, Pa., announce the birth of a daughter, Marie Estelle, on February 7.

Mr. and Mrs. H. H. Claypoole of 631 W. Exchange Street, Akron, Ohio, announce the birth of a son, Homer Lowell, on January 23. Mrs. Claypoole was Pauline Rhoads, '18.

Mr. George H. Lamb, '85, for many years librarian of the Braddock Public Library, is unable to carry on his work at present on account of ill health. Mr. Lamb made a notable contribution to class history some years ago, which was to be presented to the College to represent his class. A biography and picture of each member had been put into an attractive book. Unfortunately, while the beek was en route in California from one member to another, it was lost by the railroad. Mr. Lamb has been prominent in library work in Pennsylvania for many years.

Mrs. Ralpn Robinson (Florence L. Bates, ex-'07), of Dubois, Pa., was the guest of Edith Rowley from February 7 to 10, and attended the initiation of Alpha Gamma Delta.

Mrs. Otto H. Houser, '08, visited friends at the College over the week end of February 8 and spoke on life in the Philippine Islands at the Y. W. C. A. meeting on Sunday evening. Following this, Mrs. Houser returned to Chautauqua, whre she and Reverend Houser will be until March. The following three months Reverend and Mrs. Houser will spend in Buffalo, N. Y.

Mr. Everett O. Black, '24, is studying medicine at Western Reserve University, Cleveland, Ohio.

Y. W. C. A., LED BY MRS. O. P. AKERS, DISCUSSES SUBJECT OF WORLD FELLOWSHIP

Mrs. O. P. Akers was the leader at the Y. W. C. A. services which were held Sunday evening in the Association rooms at Hulings Hall. Mrs. Akers spoke on World Fellowship. She traced the development of this movement, which originated among the students at Andover College. The work spread and was taken up by missionary societies. Later the various churches of the world took up the movement and organized international campaigns for World Fellowship.

ALLEGHENY CONQUERS JOHN CARROLL, 23-21

Nip and Tuck Struggle Ends in Allegheny Victory—Ross Stars

Allegheny's pace setting quintet added another game to its list of victories on Friday when the "Blue Streak" five of John Carroll was defeated in a close and rough contest at Cleveland by a margin of two points. The leadership changed hands no less than nine times during the contest with Allegheny taking it on the final count to score a 23 to 21 victory.

Allegheny took the lead on Ross' foul, but Bunosky countered with a basket that put the Carroll cagers in the front. The guarding of Captain Stringer and Toma of the Clevelanders was exceptionally good in the first half. The leadership shifted back and forth five times, with Carroll on top as the half ended, 13-12.

With the opening whistle of the second half, Ross knotted the count at 13, when he sank a foul throw. Carroll came back with two fouls and a field goal which put the "Blue Streak" four points ahead—a lead that looked good. With big Gene Stringer out of the fray on fouls, Ross scored a basket and a foul in quick succession and then added another field goal, putting the Blue and Gold in the lead, 20-19.

Ross sank a foul and O'Brien added a neat basket that again tied the team at 21. McClurg scored the final basket that put his team on the winning end of the score.

Allegheny won the game on fouls, scoring eleven out of a possible sixteen free throws while the Clevelanders made but five out of thirteen tries. The game was marked by unusual roughness. Ross was the outstanding star of the game.

The line-up was as follows:

Allegheny		John Carroll
Ross	R. F.	Bunosky
McClurg	L. F.	Sammon
Judd	C.	O'Brien
Rhodes	R. G.	Stringer
Cibula	L. G.	Toma

Substitutions: Allegheny—Wescott for Rhodes; John Carroll—McDonald for O'Brien, Sapp for McDonald.

Field goals: Bunosky 4, Ross 3, O'Brien 2, McClurg, Judd, Cibula, Sammon 3, McClurg and Cibula 2, Rhodes, mon 3, McClurg and Cibula 2, Hhodes, Bunosky, Toma.

Referee: Hazlewood, of Grove City.

PROSPECTS ARE BRIGHT FOR GOOD TRACK SEASON

COACH HAMMETT DEVELOPING A STRONG WELL-BALANCED TEAM

Prospects for a successful track season appear to be very good. More men are taking an interest in track than ever before, and the material appears to be considerably better than usual, especially for the running events.

Until Rea ran his good race at Alfred University last summer, no good quarter milers had shown up on the squad. Several new candidates have appeared this seson, of whom Babcock and Graf, the football end, look particularly good. Both have the true quarter miler's stride and build.

The cross country team brings several good men in the distances, and Rankin and Chilcote, freshmen, look good in the dashes. Sample, who ran the 440 last year, is taking up the high hurdles and shows remarkable aptitude. He will make a good man. Beach, the heavy weight freshman, has come out for the shot put and although as yet he knows nothing of form, he showed all sorts of power in initial attempts. He should develop into one of the best shot putters we have ever had.

Since Judd's injured shoulder has strengthened enough to allow him to play basketball, there is hope that he may be able to continue in track his sterling work of the past two seasons. And if Parnell recovers from his illness also, Allegheny will have a strong, well balanced team. If those two men should, however, be handicapped by accident and illness, the problem will be to find men who can take their places in the field events. And they would be difficult places to fill, for between them they have usually accounted for about half the points garnered in each meet.

SENIORS AND FROSH WIN CLASS CONTESTS

SENIORS NOSE OUT JUNIORS 23-22 —FROSH WALLOP SOPHS 33-9

The Seniors and the Freshmen were the victors in the third round of the inter-class basketball championship held in the gymnasium Saturday afternoon. The Seniors won from the Juniors 23-22, while the first year men routed the Sophs by the score of 33-9. The Frosh now hold undisputed possession of first place in the league standing, having won three and lost none.

The Senior-Junior fray disclosed the best basketball of the afternoon. Neither team held much of a lead at any time, and the game was not decided until the last minute of play. Fuller, Blackwell, and Renick starred for the winners. There were no outstanding performers on the Junior team.

Little opposition was furnished the Freshmen in the second game of the day. The 33-9 score is in itself a comprehensive account of the contest. The Cossman brothers and Allen played best for the Freshmen.

Lineup:

Seniors		Juniors
Fuller	F.	Babcock
Morrissey	F.	Anderson
Reyner	C.	Dahl
Blackwell	G.	Dolde
Renick	G.	Hanlon

Field goals: Reyner 4, Fuller 3, Blackwell 2, Babcock 3, Anderson 3, Dahl, Dolde, Hanlon. Foul goals: Fuller 3, Reyner 2, Dolde 2, Anderson, Hanlon.

Substitutions: Parker for Dolde, Riemer for Hanlon.

Referee, Kerr.

Freshmen		Sophomores
Allen	F.	Stewart

BLUE AND GOLD TO SWIM OIL CITY Y. M. C. A. FEB. 25

HARD STRUGGLE LOOKED FOR WHEN TEAM TRAVELS TO OIL CITY FOR SECOND MEET

The Allegheny swimmers will meet the Oil City Y. M. C. A. team at Oil City, February 25, at the Y. M. C. A. pool. The Allegheny team will find much harder competition than it did at the Thiel meet a week ago. For the past two or three years meets with the "Y" natators have been decided only by the last event.

Allegheny will meet Oil City with a much different team than last year. Vic Wright, last year's star, has been lost this season and will be greatly missed. However, three freshmen, Curtis, Taft, and Greenwood, have been showing up well in the sprints and should make up for Wright's absence. Alex Hill, this year's captain, coach and manager, is showing the same speed and form which won much for him last year. Slocum in the diving, and Merrill in the plunge, have done well and are expected to win their events in this meet.

Other meets on the schedule are: University of Pittsburgh, here March 6, and Thiel, here March 20. Pitt has one of the best teams in this part of the country and will give the Allegheny natators some real competition.

BASKETBALL ADVANCE

(Continued from page 1)

is view of this result, Coach Baker's five has a good chance of repeating.

The new Wilmington team can always be depended upon to furnish powerful opposition, however, and this will be especially true next week, for they will be out to avenge the earlier defeat. Hetra, star forward, is said to be an uncanny shot on the home floor, and Pahle, his running mate, who starred in the game here, will cause plenty of trouble for any guard. Hetra was not in good form in the first game, but any team boasting a pair of forwards such as these is dangerous at all times.

Four Double-Barreled Reason
Why You Should Buy Life Insurance

FIRST:
(a) You have the advantage of the younger rate. The rate at age 20 is about one-half that of age 40. It does not increase after you have started.
(b) Money without health cannot buy Insurance. If health is yours now, capitalize it at once.

SECOND:
(a) If you are not married, Insurance will be absolutely necessary when you become a benedict.
(b) You create an estate immediately with the first payment.

THIRD:
(a) Insurance helps you to form the habit of saving, thus strengthening your character. Thrift makes for success.
(b) Insurance will make you independent in old age when 11 out of 13 men have to live on charity.

FOURTH:
(a) It is a conservative investment. Insurance Companies cannot speculate, and they are absolutely safe financial institutions.
(b) Men in the higher walks of life favor it. Every member of the late President Harding's Cabinet has recently advised young men to insure while young.

All Legal Reserve Life Insurance Companies are good but none can surpass in strength and friendly service.
