Miss Ida Tarbell
120 E. 19th St.
New York City

Dear Miss Tarbell:

Since receiving your note, I have communicated with my co-editor, Professor Dixon R. Fox of Columbia University, and he is planning to have a conference with you at the earliest feasible time. Perhaps he has already seen you. We are anxiously hoping that it may be possible to make some adjustment that will keep you as one of our company.

Sincerely yours,

A. M. Schlesinger
